

April 1, 2020,

Jim and Jim,

Thank you for bringing to my attention the errors in the Planning Board Meeting Agenda for tonight's meeting regarding the Delaware River Solar applications. I have made the necessary corrections and it was reposted on the Town's website yesterday afternoon.

Because of the interruption in the previously scheduled public hearings of these two applications, that was originally scheduled for March 18, 2020, which was caused by the Corona Virus (COVID 19) pandemic and the Governor's Executive Order regarding public meetings, the Planning Board tonight will be scheduling the two public hearings to be held on Wednesday, May 6, 2020; and will be directing Town Staff to publish a new Legal Notice for these two public hearings in accordance with the State's Open Meetings Law and Governor Cuomo's latest Executive Order. These two Legal Notices will be published in the Town's Official Newspaper, posted on the Town Hall Bulletin Board and posted on the Town's website [www.townoffarmingtonny.com](http://www.townoffarmingtonny.com) .

Finally, I encourage you to join tonight's telephonic meeting. Instructions have been provided on the posted Planning Board Meeting Agenda.

Ron Brand,

Director of Planning & Development
