

10/22/18

Attn: Mr. Ronald Brand, Director of Development for the Town of Farmington

RE: SEQR

Dear Members of the Town of Farmington Zoning and Planning Boards

I write this to voice my objection to the Delaware River Large Scale Solar Project on Fox and Yellow Mills Rd.

I understand that the Town of Farmington Ag Advisory Board and the Town of Farmington Conservation Board are opposed to the proposed large-scale project as well.

Please represent the best interests of ALL THE PEOPLE OF FARMINGTON say No and Let's keep the "Farm" in Farmington

Sincerely

*Nick Falge*
