TO: Ron Brand, Director of Farmington Town
Development and Planning

TO: Farmington Town Zoning Board

RE: SEQR for Green River Power Plant proposal for
farmland located on Fox and Yellow Mills Roads

RECEIVED
TOWN OF FARMINGTON
OCT 26 11:11

Dear Mr. Brand:

I am opposed to the Town granting permission to build a solar power plant in my neighborhood. I own 33 acres of farmland and woods with only one property in between the proposed solar site and mine. My family and I hunt our land yearly. I'm sure that the proposed facility will change the habitat of the local wildlife.

I thought that my being zoned agricultural would protect us from something like this.

I don't think that anybody around here wants this.

Sincerely,

Wes Costello
