

**TRAINING
ACCREDITATION
SUPPORT**

The Fostering Changes Facilitator Course supports the delivery of the Fostering Changes Programme.

Once complete, you will be accredited to deliver the Fostering Changes Programme. The Course delivers skills and learning in group facilitation, adult learning and covers the entire content of the Fostering Changes Programme.

You can deliver with confidence and ease with a full knowledge of the course material and how to deliver it effectively, making a difference to the lives of Foster Carers and the children they look after.

Fostering Changes at work for you

WHO IS THIS COURSE FOR?

The Facilitator Course delivers high level facilitation skills and content to run the Fostering Changes Programme.

The course is suitable for Local Authority, Voluntary and Private Sector Social Workers from fostering or children and families' teams; and professionals involved with looked after children services who have a background in psychology, nursing or social work or foster carers who are trainers.

The Facilitator Course is a 4 day course. In London it is delivered over 4 consecutive weeks and over 4 consecutive days in all other parts of the UK.

COURSE COSTS

The course is currently being funded by DCSF and is FREE of charge to eligible organisations.**
