

## North East Fabricare Association 23rd Annual

### *"Brad Friel Memorial Clean Classic"* *Wednesday, June 20, 2018*

NEFA's annual summer event is moving to Cyprian Keyes Golf Club in Boylston, MA on Wednesday June 20, 2018 with a 9:45 shotgun start.

Since opening in 1997, Cyprian Keyes has received numerous national recognition and awards. The dramatic course combines the beauty of nature with stimulating play. The course features a challenging, but fair layout and is frequently rated one of the best maintained courses in central MA.

NEFA will again be using the popular 2-score, Bramble format this year. In this format, all players tee off, the group selects the spot of the best drive, and then all players hit their second shot from that spot and play their own ball in through the hole. The team then records the two best scores for the hole using the handicap provided. This enables players to play more of their own shots, and the handicapping systems makes it fair for all players in all skill levels.
