IMPORTANT INFORMATION ABOUT YOUR PHOTO DAY

The following information is a basic guide and times may vary due to the size of groups.

Arrival – Our photographers will arrive at your photo location 45 minutes prior to the first photograph to allow for setup.

Photographer Breaks - We have a duty of care towards our photographers to ensure they have breaks scheduled during the day. Please remember to allow breaks following the guide below to give our team the opportunity to have a quick drink, something to eat and have a bathroom break.

Number of Teams	Morning Tea Break (15min)	Lunch Break (30min)
12 teams or less	No	No
13 – 20 teams	Yes	No
21 teams or more	Yes	Yes

Scheduling - Please keep the scheduling of your teams as condensed as possible. Can some of your teams come before their game, and others come after their game?

For teams of up to 15 players, please allow 15 minutes for photography. Larger teams will require 20 minutes. Should your club have any teams of 25+ players, please advise your advancedlife coordinator so we can allocate the appropriate equipment needed

Wet Weather Location - Our photographers require a space of approx 8mx8m in size to ensure the quality of your photos is at their best. Maybe one of your club sponsors can help with a space!

We are looking forward to helping your day run smoothly, please don't hesitate to ask in any way that we can be of assistance – we are here to help!
