5. Team coaches will be asked to rate all players' performance at the end of each season then submit a recommendation as to whether or not the player should be moved in the following season. This information will then be used to place players into initial team placing and a caretaker coach will be appointed (by the Executive Committee) prior to grading being completed. New Players will be assessed taking into account playing experience and level played as well as being assessed during grading sessions)
6. Grading will be carried out when there is more than one team per age group. The players will be graded on their performance during the session and feedback from last seasons coach. If necessary, trial games will be used to grade players.
7. The number of grading sessions will be determined by the grading committee. 8. Any "Member" of the grading committee shall have no input in relation to their own child's grading.

9. After grading has been completed players will then be placed into final team allocations (pending any appeals). The grading committee will then be responsible for the placement of each team into a particular division. Both of these will be done by a majority vote of the grading committee. The Coaching Coordinator shall have a second and casting vote.
