

History project

Dear Parents,

On Monday, February 9, our 3rd grade class will be beginning a history project. Each student will need to choose a character in class and will need to write an essay on his life. They will need to include the person's name, important events, and how he helped make America great. They will need your help in writing, correcting, and typing out their essays. Each essay should only be a paragraph, essays are due Monday, February 22.

After the essays are finished, the students will be presenting their reports orally on Friday March 12, at 9:00 AM in the auditorium. Each student will need to dress in character for his oral report. This event will be followed by a pizza luncheon. Due to COVID only 2 family members will be able to attend. Thank you for understanding.
