

# Message of the Mountain Project and Small Book Report

**Due date Oct 2nd**

Students have a choice between two different kinds of reports.

**Choice 1:** Powerpoint Presentation

**Choice Two:** Cereal box craft

Students have the opportunity to choose between two different projects for this book report. I have provided instructions for both projects. I will be teaching a small lesson on how to make a powerpoint presentation in class.

Be prepared to talk for one to two minutes about the book and the project.

**Sincerely, Mrs. Cano**
