

Draw a circle around each child who is hiding in the picture.

We can hide from each other, but we can't hide from God!

Use the code to find out what  
 Jesus said about Himself.  
 Then read John 8:12.

Start at the dot and find  
 the five names of Jesus.

Just as a caterpillar changes into a beautiful butterfly  
we can have a new life in Christ. We change!

 <input type="radio"/>	 <input type="radio"/>	 <input type="radio"/>	 <input type="radio"/>	 <input type="radio"/>
 <input type="radio"/>	 <input type="radio"/>	 <input type="radio"/>	 <input type="radio"/>	 <input type="radio"/>

Look at each picture. Put a C (for caterpillar) in the circle if it's something we would do as our old self. Put a B (for butterfly) if it's something our new selves might do.
