

It's that time of the year, where we have the best offers for new and existing customers that are Union Members! Please see the attached Union Member February 2022 Offers for more details!

Here's how I can help you and your fellow Union Members:

- Dedicated Account Support
- Review current wireless bill and help save money monthly by switching to AT&T
- Exclusive offers that only I can offer

Highlights of February Promotions:

- Free iPhone 13 or Samsung S21 w/ qualified trade in
- \$1/month iPhone 12 mini
- Waived Activation/Upgrade fees
- February Special Offers - \$250 Credit when you switch from another carrier

For anyone interested in taking advantage of these additional benefits, they would need to reach out to myself via text message or email as these offers are only available through the Union Member Program at AT&T. I look forward to hearing from you!

Thank you,

Jeff Robertson
