Border Bugle Editor

We have ourselves a new editor for the Border Bugle, his name is Dick Titterington, please let him know how much you look forward to seeing what he will do with the Bugle and what direction he might take it. It's been stale now for some time, it will be nice to see someone else's views for a change. He will start in January and we might do it together for a few months, we will see. It's been grand and thank you for allowing me to be your Border Bugle editor for all these years.
