

## Sandpiper Managers Report 1162021

- 1) There were several roof repairs, poop stations put in.
- 2) There was a pipe leak in front of the pool and also by unit 48 both have been fixed.
- 3) **Parking** has been much better after I sent out notice to those who were illegally parking. Unfortunately, there was a car that was illegally parked and had to be towed.
- 4) Dogs off the leash has improved and violations are being enforced.
- 5) There will be no trespassing signs and no motorized vehicle signs posted up along the walk way.
