Total calls: 17

Hours worked: 60

Emergency Management: Nothing to report at this time.

Parks: TJ Adkins has someone coming to look at A/C unit at ball field.

Aldermen report:

Cook: There use to be a dead end sign on John Street. (Clerk will do a work order)

Roan: Is there an ordinance on holding land lords responsible for the tenants they rent to? Was advised we will look at the ordinance book.

There has been a lot of completes on the house that is blocking the street and has removed the no parking sign.

Weese: There are still many houses with no numbers on them.

Lammers: Absent at this time.

Citizen Input: A concerned citizen voiced her concerns on a house in town where they keep blocking off the street, parking cars on the side of the road where the no parking sign use to be, the children playing in the streets and also gunshot being heard from the house.

She also asked the board if she could take water samples from the grove creek. She volunteers for the Missouri department of conservation and wants to make sure we have healthy water shed.

Another citizen has asked if we could have an open day so residence can go look at the levee. We will have to look into that with the insurance company. Also would like to see the bills put on the website. (Will have to put on next agenda to vote)

Old business:

Recycling: Waste management provided the information needed and the board decided at this time we are unable to provide the man power needed to monitor the location.

Weed Ordinance: Will look further into the cost of city having to mow or spray at the next working session.

Flag pole: The estimated cost of fixing the existing poles will be around 500.00.

Building inspector: Will have working session to discuss what services will be needed from IBTS.

New Business:

Streets and ditches bid: Received one bid will need to speak with FEMA and see if we can get extra funding on this project.

Adjournment: Roan made motion to adjournment the meeting Cook 2nd all in favor 4 aye. Motion carries.
