Join The Native Sons and Daughters of Greater Kansas City in honoring the Kansas City Restaurant Association as it begins its centennial celebration

Help us mark the founding of the Greater Kansas City Restaurant Association with a historic marker in downtown Kansas City.

Your support of the 2014 Outstanding Kansas Citian event with the purchase of a ticket, table or sponsor package will assist in the funding of this historic marker.

This large anodized aluminum marker, detailing the history of the GK CRA, will be placed in the Oppenstein Brothers Memorial Park in downtown Kansas City at a special ceremony later this fall. Plans are to place the marker along Walnut Street near the former location of the Myron Green Cafeteria. It is at this location that the Kansas City Restaurant Association was founded in 1916.

For further information please call
Carl DiCapo (816-456-2343) or the
Greater Kansas City Restaurant Association (816-753-6993).
