NARRATIVE OF MOP

The NMAS model aircraft flying site is situated amongst urban development. To ensure that our flying activities do not unreasonably interfere with the comfort of our neighbours, restrictions need to be placed on the hours of operation. Recent noise complaints resulted from a member flying an electric powered aircraft.

PURPOSE

To ensure our flying operations do not unreasonably interfere with the comfort of our neighbours which may result in noise complaints.

Applicable Document

MAAA MOP 18- Night Flying.

DEFINITION

Model Aircraft: Includes internal combustion, turbine, electric powered models and gliders.

POLICY

1. The hours of operation can be varied from time to time by the Committee either for a continuous period or for a specific event.
2. The current hours of operation are as follows:
Monday to Saturday 9.00am to Sunset
Sunday 10.00 am to Sunset
3. On occasions when night flying is permitted is must be done in accordance with MAAA Policy

RESPONSIBILITY

It is the responsibility of all members to ensure that this MOP is complied with
