# **PROLONGED ENGINE RUNS IN PIT AREA**

## **MOP NUMBER 21**

(REVISED 15/10/2007)

### **Table of Contents**

1. Purpose	1
2. Applicable Documents	1
3. Definition	1
4. Policy	1
5. Responsibility	1

### **PURPOSE**

The pit area is for the purpose of starting models for the purpose of flying. The prolonged running of an engine in the pits for tuning, running in or other purposes can over period of time become annoying to other members.

### **APPLICABLE DOCUMENTS**

### **DEFINITION**

Prolonged running: a time that is considered longer than a reasonable time to start and tune a motor in preparation for flight.

References Include references re restraints MOP 3 facing model away from pit east.

### **POLICY**

1. Prolonged engine runs in the pit area will not be permitted.
2. A test stand has been erected on the western fence line, north of the car park for the purpose of running in new motors. This area can also be utilised by members who desire to conduct prolong engine runs.

### **RESPONSIBILITY**

It is the responsibility of all members to ensure that these procedures are adhered to.
