RADIO CONTROL CARS

MOP NUMBER 27

(REVISED 15/10/2007)

Table of Contents

1. Purpose	1
2. Policy	1
3. Responsibility	1

PURPOSE

NMAS has been established for the primary purpose of flying radio controlled model aircraft. Members from time to time experiment with other radio control items, in the main, radio controlled motor cars. Some of these cars are powerful, fast and if they get out of control can cause damage to model aircraft.

POLICY

1. Radio Control Vehicles shall not be operated in the pit area whilst model aircraft are in the vicinity.
2. Radio Control motor vehicles shall not be used in the flying area or on the runway when model aircraft are flying, preparing to fly or landing.

RESPONSIBILITY

It is the responsibility of all members to ensure that these procedures are adhered to.
