Hello House Supervisor,

We received the attached letter and attachments from DHS HO. Heather says you have been directed to complete some paperwork for Paul in relation to this B&L saga.

As VCAT Administrators and Plenary Guardians we are directing you not to complete any of the B&L saga on behalf of Paul. The matter is currently before VCAT, and Paul will continue to fund the normal CERS, pending VCAT/Villamanta direction.

If any of your managers insist you complete any matters or paperwork in relation to the B&L saga for Paul, please refer them to us.

Regards,

Tony & Heather Tregale
Parents, Plenary Guardians & Administrators (VCAT)
