THE NDIS, & THE PRIVATISATION OF VICTORIAN PUBLIC DISABILITY
ACCOMMODATION SERVICES

FREE FORUM

FOR PEOPLE WITH DISABILITIES LIVING IN DHHS & COMMUNITY
RESIDENTIAL SERVICES -

FRIENDS AND FAMILIES WELCOME

The Health and Community Services Union (HACSU) has been the strongest voice lobbying against the State Labor Government's plans to privatise public sector (DHHS) disability residential services. HACSU is also strongly campaigning for quality safeguards under the NDIS.

HACSU has received numerous calls from the public seeking information regarding the NDIS and the Government's decision to privatise DHHS. To answer these questions and help people with disabilities, their friends and families to understand

this policy, HACSU will be hosting a free lunch time forum.

HACSU has initiated this community forum to both help provide information and to get more feedback from families and advocates about their views on the issues and difficulties they are encountering.

In our regular meetings with Victorian Ministers and the Department of Premier and Cabinet we have strongly advocated on behalf of both disability support staff and for families and people with disabilities.

A free lunch will be provided

For catering purposes, please RSVP on this page.

If you have any dietary requirements, please call HACSU on 1300 651 941 or email hacsu@hacsu.asn.au

If you have any questions please feel free to contact HACSU on 1300 651 941 or email hacsu@hacsu.asn.au.

For more information about HACSU's campaign, please visit www.certaintyfordisability.org

Don't miss this important opportunity to speak with HACSU officials directly involved with Senior Government and NDIA officials.
