

## **"Heaven Above!"**

Three disability service providers are standing at the throne of heaven. God looks at them and says, "Before granting you a place at my side, I must ask you what you have learned, what you believe in."

God asks Melbourne City Mission first: "What do you believe?"

MCM says, "We have learned to say what we mean and mean what we say. We believe in always providing, quality care for all people with disabilities, in good family interaction and good customer service".

God can't help but see the essential goodness of MCM , and offers them a seat to his left.

Then God turns to Scope and says, "What do you believe?"

Scope says, "We agree totally with MCM, but would like to add that we ensure meaningful outcomes – achievements for all people with disabilities and that they have choice, control, service entitlement, and are valued"

God is greatly moved by Scope's good intentions and he offers them a seat to his right.

Finally, God turns to DHHS and says, "And, what do you believe?"

DHHS replies, **"We believe you're in our seat!"**
