

Thank you for choosing the preschool program at Legacy Christian School (LCS) for your child’s educational foundation. We are incredibly blessed by the growth we have seen in enrollment here at LCS. This is just a testament of the quality Christian education and teacher commitment to excellence that is provided. The Board of Directors and staff have been praying for guidance as we look to the future and the future vision of LCS. With God’s direction and guidance we have starting laying out the vision that would allow us to have a campus style educational format. Plans are being formulated for the steps it would take to provide separate buildings for Preschool, Elementary, Middle & High School yet still remain in close vicinity.

In the interim, God has blessed the Preschool with the first opportunity to branch out to an extended campus building. We will soon be taking possession of the building directly adjacent to the school. It has been used as a parsonage and a location for youth group activities by the Lakeview Wesleyan Church. We will start renovation in February, with plans to move all of our 2 and 3 day programs to this building starting this coming school year. An Open House of our **Extended Preschool Campus** will be scheduled sometime after Spring Break. Classrooms, curriculum and staffing will be very similar to what we currently provide but we are tweaking days, times and age cut-offs to accommodate each of our programs.

Days and times are detailed below and the Preschool Application is attached. Enrollment is on a first-registered and confirmed (paid) basis, so please turn in your application and application fee of \$50 per child as soon as possible. Open enrollment for new families will begin on February 1, 2018. We will be transitioning to an **online** tuition payment program this year as well. Early in the spring you will receive an e-mail from FACTS that will instruct you on how to set up your account.

We are privileged to partner with you in the education of your child. May God bless you and your family!
