KELLY-ANNE LAVINA TRENFIELD of Level 20, Central Plaza One, 345 Queen Street, Brisbane in the state of Queensland, Registered Liquidator and Chartered Accountant state on oath:

1. I am a Senior Managing Director in the Corporate Finance and Restructuring Division of FTI Consulting (Australia) Pty Ltd (FTI). I have been a Registered Liquidator since March 2007 and since that time I have been appointed to in excess of 200 external administrations.
2. I have the day-to-day conduct of this proceeding and the liquidation of the Second Applicant (LMIM) under the supervision of Mr John Park, the Liquidator of LMIM.
3. I make this affidavit in support of an application for approval of Mr Park's remuneration.

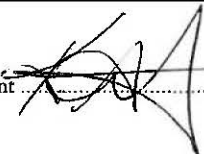

Overview

4. Mr Park has sworn several previous affidavits in this proceeding, relevantly including:
 - (a) an affidavit filed 28 January 2016, being Court File Index (CFI) documents numbered 37 to 40 (**the 28 January Affidavit**);
 - (b) an affidavit filed 22 February 2016, being CFI-44; and
 - (c) an affidavit filed 8 March 2016, being CFI-52.
5. In this affidavit, capitalised terms have the same meanings as in those previous affidavits.
6. The background to Mr Park's and Ms Ginette Muller's appointments as Voluntary Administrators and Liquidators of LMIM is set out in those affidavits. I intend to rely on those affidavits at the hearing of this application. This affidavit deposes to some further matters specific to the issues arising in this application.
7. On 17 May 2017, Ms Muller resigned as Liquidator of LMIM. Since then, Mr Park has been the sole Liquidator of LMIM.
8. Now produced and shown to me and marked "KAT-15" is an indexed, paginated bundle of copies of documents to which I shall refer in more detail in my Affidavit. References to numbers in square brackets are references to the page numbers of the documents in the bundle "KAT-15".

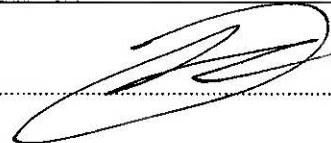

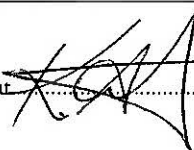

History of Remuneration Applications

9. On 16 December 2015, 17 July 2018, 12 February 2021 and 15 February 2022, Mr Park and Ms Muller (prior to her resignation) applied to this Honourable Court for:
- (a) the determination of their remuneration; and
 - (b) orders permitting that their remuneration be drawn from the funds,
- (the **First Remuneration Application** (CFI 32) and the **Second Remuneration Application** (CFI 131), respectively), the **Third Remuneration Application** (CFI-301), respectively) and the **Fourth Remuneration Application** (CFI-320).
10. The remuneration the subject of the First Remuneration Application included:
- (a) what has been come to be known as “**Category 1 Remuneration**”, being work that was directly referable to one of the funds in the liquidation up until 1 October 2015; and
 - (b) what has been come to be known as “**Category 2 Remuneration**”, being work which relates to all of the funds generally, being, in effect, the funds management business of LMIM (i.e. work that was not directly referable to a single fund) in the liquidation up until 1 October 2015.
11. On 17 October 2017, the Honourable Justice Jackson:
- (a) delivered his reasons for judgment in the First Remuneration Application, in *LM Investment Management Limited & Anor v Whyte No 2* [2017] QSC 229 (**the First Remuneration Decision**); and
 - (b) made orders in respect of the First Remuneration Application.
12. The remuneration the subject of the Second Remuneration Application included:
- (a) Category 1 Remuneration for the period 1 October 2015 to 30 June 2018; and
 - (b) Category 2 Remuneration for the period 1 October 2015 to 30 June 2018.
13. On 2 October 2019, the Honourable Justice Jackson delivered his reasons for judgment in the Second Remuneration Application, in *LM Investment Management Limited & Anor v Whyte* [2019] QSC 245 (**the Second Remuneration Decision**).

14. On 17 October 2019, the Honourable Justice Jackson made orders in respect of the Second Remuneration Application.
15. In paragraph 40 of Mr Park's 28 January Affidavit, he deposes to the separation from Categories 1 and 2 Remuneration of what I will refer to as "Corporate Remuneration". That remuneration is in respect of work which relates to LMIM in its corporate capacity, or work which would have to be done in the winding up of any company and that is not referable to either an individual fund or to the Funds collectively (**Corporate Remuneration**).
16. In paragraph 36 of the Second Remuneration Decision, Justice Jackson held that Mr Park is not entitled to recover Corporate Remuneration from the assets of the Funds because there is no general right to reimbursement from trust property for remuneration for work necessary for the winding up of the company trustee, where that work is not carried out in relation to the relevant trust or relevant trusts.
17. Accordingly, Mr Park only seeks orders fixing his Corporate Remuneration, but does not seek orders for payment from the Funds of Corporate Remuneration for work carried out during the Relevant Period.
18. The remuneration the subject of the Third Remuneration Application included:
 - (a) Corporate Remuneration for the period 1 July 2018 to 31 October 2020;
 - (b) Category 1 Remuneration for the period 1 July 2018 to 31 October 2020;
 - (c) Category 1 Remuneration in respect of the ICPAIF and CPAIF for the period 1 October 2015 to 31 October 2020; and
 - (d) Category 2 Remuneration for the period 1 July 2018 to 31 October 2020.
19. On 31 May 2021, the Honourable Justice Wilson made orders, and on 1 June 2021 amended the earlier order, in respect of the Third Remuneration Application.
20. The remuneration the subject of the Fourth Remuneration Application included:
 - (a) Corporate Remuneration for the period 1 November 2020 to 31 November 2021;
 - (b) Category 1 Remuneration for the period 1 November 2020 to 31 November 2021;

- (c) Category 1 Remuneration for the AIF for the period 1 December 2021 to the date of finalisation of the winding up of the AIF;
- (d) Category 1 Remuneration for the ASPF for the period 1 December 2021 to the date of finalisation of the winding up of the ASPF;
- (e) Category 2 Remuneration for the period 1 November 2020 to 31 November 2021.

21. On 6 May 2022, the Honourable Justice Flanagan made orders in respect of the Fourth Remuneration Application.

Remuneration the Subject of this Application

22. By this Application, Mr Park is applying for orders:

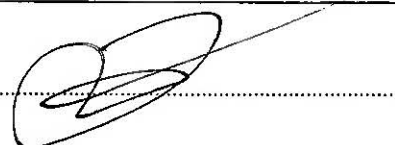

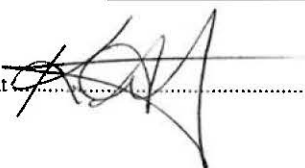

- (a) Fixing Mr Park's Corporate Remuneration as Liquidator of LMIM for the period 1 December 2021 to 31 January 2024 (**Relevant Period**);
- (b) fixing Mr Park's Category 1 Remuneration for the Relevant Period;
- (c) fixing Mr Park's Category 2 Remuneration for the Relevant Period; and
- (d) that Mr Park may draw Category 1 Remuneration as the liquidator of LMIM, in respect of the FMIF, for work from 1 February 2024 to the date that the FMIF is finalised (**the FMIF Finalisation Period**), in an amount up to the sum of \$55,000 (including GST),

so that Mr Park's Category 1 Remuneration for the Relevant Period and the FMIF Finalisation Period may be paid out of the scheme property of FMIF.

23. In previous applications, the ICPAIF and CPAIF have been excluded from any allocation of Category 2 Remuneration because the only assets of those funds are units in the FMIF, which means that the ICPAIF and the CPAIF already bear a proportion of Category 2 Remuneration. In my view, it is appropriate to exclude ICPAIF and CPAIF from any proposed allocation to avoid the unit holders of those funds, in effect, being charged twice.

24. The Corporate Remuneration work in respect of the winding up and Liquidation of LMIM was work that was not:

- (a) clearly referable to a particular fund (that being Category 1 Remuneration work);

- (b) in respect of the funds management business of LMIM or work which related to all of the funds generally (that being Category 2 Remuneration work); or
- (c) in respect of the FMIF controllerships referred to in paragraphs 233 to 242 of the First Remuneration Decision (that being Category 3 work).

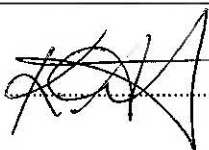

25. On 12 November 2018, Mr Park swore an affidavit in this proceeding (CFI-174 and CFI-175) in support of an application for directions to facilitate the efficient finalisation of the winding up of LMIM, the Funds and all other trusts and managed investment schemes in respect of LMIM. Insofar as it might be relevant for this application to draw remuneration in respect of work to finalise the FMIF, I note that the estimate to finalise FMIF is different to Mr Park's estimates for the following reasons:

- (a) the estimate was given over five years ago;
- (b) the estimate was given in circumstances where it was envisaged that Mr Park would have directions to wind up all of the Funds, and that process could be completed within approximately nine months (at [57]);
- (c) the estimate was made on the basis that the finalisation of the Funds would be implemented in accordance with proposal in the application. Because the application was unsuccessful, and the proposal was not implemented, the costs in respect of the Funds, including the FMIF, have been higher;
- (d) judgment in respect of that application was not received until October 2019;
- (e) Mr Whyte has had control of the FMIF as receiver of the scheme property of the FMIF and the Liquidator cannot finalise his work in respect of the FMIF until Mr Whyte's receivership has concluded;
- (f) it has been necessary to keep the FMIF running until Mr Whyte's receivership has concluded and to finalise the audited accounts; and
- (g) the estimate was given before Supreme Court of Queensland Proceeding BS 14389 of 2022 (**Costs Order Proceeding**) was commenced.

Explanation of Time Recording System

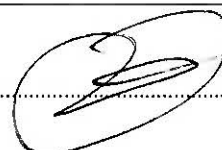

26. FTI maintains an electronic based time recording system.

Deponent

Page 6

Taken by

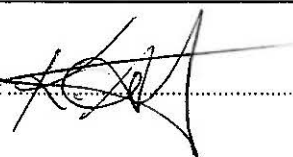

27. The time recording system is designed to ensure compliance with the Australian Restructuring Insolvency and Turnaround Association (ARITA) Code of Professional Practice (**the ARITA Code**) in force from time to time. In respect of the ARITA Code the fourth edition of the ARITA Code applies in respect of Mr Park's remuneration from 1 January 2020 onwards.
28. Section 23.2.2, Section A, Part 3 of the ARITA Code sets out seven categories which broadly apply to the tasks undertaken by insolvency practitioners, those categories being:
- (a) assets;
 - (b) creditors;
 - (c) employees;
 - (d) trade on;
 - (e) investigation;
 - (f) dividend; and
 - (g) administration,
- (the ARITA Categories).**
29. Chapter 23 of the ARITA Code addresses remuneration reports and includes guidelines as to the information to include in a report to creditors and formats for the various parts of such reports (**Recommended Report**).
30. In this affidavit I have adopted the guidelines and templates of the Recommended Report and, where relevant, will present information in this affidavit in accordance with the Recommended Report.
31. Mr Park, the staff at FTI and I record time on a daily basis. We enter into the time recording system:
- (a) our time in six-minute units;
 - (b) the duration of the time spent on a task; and
 - (c) the description of the task(s) undertaken.

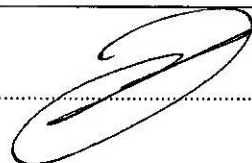

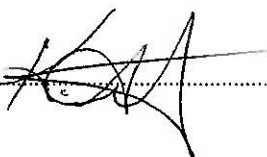

32. The staff at FTI and I review these time entries regularly. If I consider that a time entry has been incorrectly entered or is not reflective of productive work, then I am able to, and do, either re-allocate the time or write it off. FTI's electronic time recording system involves the categorisation of work through "job codes" and "tasks".
33. The remuneration, the subject of this Application, is calculated based on the hourly rates charged by me and other FTI staff who have worked on the LMIM liquidation.
34. The hourly rates charged by me and other FTI staff in respect of the LMIM liquidation in the Relevant Period were as follows:
- (a) at page [1] of exhibit "KAT-15" is a copy of a schedule of FTI's standard rates for the period 1 July 2021 to 30 June 2022;
 - (b) at page [2] of exhibit "KAT-15" is a copy of a schedule of FTI's standard rates for the period 1 July 2022 to 30 September 2023; and
 - (c) at page [3] of exhibit "KAT-15" is a copy of a schedule of FTI's standard rates for the period 1 October 2023 to present.
35. When time is entered for a task on the FTI time recording system, a task description is allocated in accordance with Section 23.2.2 of the ARITA Code within an ARITA Category. Throughout the liquidation of LMIM I have instructed staff to enter time and task descriptions on that basis.

How time and disbursements are recorded during the liquidation

36. In respect of work recorded as Category 1 Remuneration for the winding up of the FMIF in the Relevant Period (**Category 1 Work**), this time was recorded by me and by the staff at FTI as follows:
- (a) a task or disbursement was identified as being clearly referable to the particular fund (i.e. not being work in respect of all of the funds and not being general liquidation work that had to be carried out in respect of LMIM itself rather than the funds);
 - (b) work or disbursements that were clearly referable to the particular fund would be entered on the job code in respect of that fund. A separate file was opened in respect of FMIF and job codes were allocated in respect of each of that fund; and

- (c) for Category 1 Work, an ARITA Category was allocated against that task at the same time as the narration was entered by the FTI staff member (being an activity code).
37. Category 1 Work narrations frequently do not identify the fund in respect of which the work was carried out as it was unnecessary for the fund to be named in the narration, given that there was a job code in respect of each of the Funds.
38. In respect of work recorded as Category 2 Work for the liquidation of LMIM in the Relevant Period (**Category 2 Work**), this time was recorded by me the staff at FTI as follows:
- (a) a task or disbursement was identified as being work that was in respect of the funds generally (i.e. it was identified as work that was not Category 1 Work);
- (b) the activity code in respect of the general funds work (i.e. Category 2 Work) was then entered on the LMIM job code 8974; and
- (c) for Category 2 Work, an ARITA Category was allocated against that task at the same time as the narration was entered by the FTI staff member.
39. On 18 September 2013, I sent an email to all staff of FTI directing them to undertake a detailed review of their time sheets to ensure that all of their historical time had been correctly allocated to either corporate or fund work (a distinction I explain below) and instructing them on the manner in which their time was to be recorded into the future.
40. At pages [4] to [5] of exhibit "KAT-15" is a copy of that email.
41. The email attached a spreadsheet which contained:
- (a) instructions for how staff were to distinguish between corporate and fund related work;
- (b) job codes which were used to identify the appropriate entity to which the work should be attributed; and
- (c) specific activity codes which were used to identify, within matters relevant to LMIM in its own capacity, whether the work was corporate work or fund related.
42. At pages [6] to [7] of exhibit "KAT-15" is a copy of that spreadsheet.

43. I am satisfied that the instructions set out in the 18 September 2013 email, including the spreadsheet attached to that email, were followed because I:

- (a) reminded staff members from time to time of the process to be followed in order to emphasise the importance of correct allocation and accurate time recording;
- (b) periodically reviewed time allocations;
- (c) reallocated time entries to correct categories where necessary; and
- (d) conducted reconciliations of time ledgers for the purpose of preparing remuneration claims.

44. I am satisfied that those processes have been carried out regularly throughout the Liquidation.

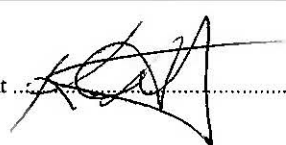

How reviews of time recorded are undertaken

45. Throughout the liquidation of LMIM, I have caused FTI staff to manually review all time recorded in respect to all categories of work.

46. The reviews of time recordings were carried out periodically by senior FTI staff at the time of preparation of schedules and when carrying out work in respect of remuneration approval applications.

47. The reviews carried out by me during the liquidation of LMIM were carried out on the following basis:

- (a) time entries were reviewed and corrected to ensure allocation to the correct job code;
- (b) time entries were reviewed and corrected to ensure correct allocation between Category 1 Work remuneration and Category 2 Work remuneration;
- (c) when a correction is needed, the reallocation of that time is noted against the correct file codes; and
- (d) when approval and then payment of remuneration occurred, reconciliations are carried out to ensure that the time entries approved are isolated so there is no duplication of approval.

48. Further, the FTI time recording system does not allow for duplication and when a time entry is billed it is removed from the work in progress ledger and is therefore not available for future billing unless the invoice (and any associated payment) is subsequently reversed. There are stringent processes in place for reversal of a tax invoice.

FMIF's financial position

49. Given the appointment of Mr David Whyte as the Receiver of FMIF (**the FMIF Receiver**) I have not provided updates to members of FMIF.

50. At pages [8] to [16] of exhibit "KAT-15" is a copy of the FMIF Receiver's most recent update to FMIF unitholders, dated 22 December 2023, available on the website www.lmfimf.com. It states that as at 30 November 2023, the FMIF had an estimated net amount available to investors of \$49,651,190. That report does not set out how the amount is calculated.

51. At pages [17] to [30] of exhibit "KAT-15" is a copy of the FMIF Receiver's update to FMIF unitholders dated 29 September 2023, available on the website www.lmfimf.com. It states that as at 30 June 2023, the FMIF had an estimated net amount available to investors of \$47,444,095, arrived at as follows:

DESCRIPTION	
Cash at Bank	\$58,496,777
Other Assets	\$454,539
Estimated Assets Position	\$58,951,136
Distributions Payable	\$9,004,937
Payables	\$9,004,937
Total Liabilities	\$11,507,041
Estimated net amount available to investors as at 30 June 2023	\$47,444,095

Corporate Remuneration work performed in the Relevant Period

52. The principal tasks carried out in relation to Corporate Remuneration work during the Relevant Period included what might be characterised as 'general' liquidation work, such

as attending to creditor enquiries, attending to lodgements with ASIC, responding to creditors of LMIM, and general file and banking administration.

53. I have caused to be prepared a schedule that sets out in chronological order all of the entries in the FTI Consulting time recording system that contain descriptions of the Corporate Remuneration work carried out during the Relevant Period (**the Liquidation Schedule**). The Liquidation Schedule sets out the name of each FTI staff member, the hours worked by the staff member, the amount charged for each task, an ARITA Category for each task and a narrative of the task that has been carried out. At pages [31] to [34] of exhibit "KAT-15" is a copy of the Liquidation Schedule.
54. I have caused to be prepared a table in accordance with Section 23.2.2 of the ARITA Code and Part 4 of the Recommended Report, that characterises and summarises the entries in the Liquidation Schedule by reference to each employee and each ARITA Category (**Liquidation Table**). At pages [35] of exhibit "KAT-15" is a copy of the Liquidation Table.
55. I summarise the amounts in the Liquidation Table by ARITA Category as follows:

CATEGORY	TOTAL HOURS	AMOUNT (EXCLUDING GST)
Administration	30	\$13,954.00
Assets	1.70	\$550.00
Creditors	NIL	NIL
Dividend	NIL	NIL
Investigations	NIL	NIL
Total:	31.70	\$14,504.00

56. There has been no prior approval by either the committee of creditors, committee of inspection, creditors or the Court in respect of this remuneration.

Discrete Corporate Remuneration work carried out during the Relevant Period

57. The Corporate Remuneration work carried out during the Relevant Period included the following categories of work (my categorisation):

(a) responding to general creditor inquiries (**Creditor Liaison Work**);

Deponent

- (b) attending to ASIC and other statutory lodgements (**Statutory Compliance Work**);
and
- (c) attending to work in respect of the finalised funds, including LM Managed Performance Fund, LM Australian Income Fund and LM Australian Special Products Fund (**Closed Funds Work**).

58. I have caused to be prepared a summary of the Liquidation Schedule and categorised the entries of the work that was done as follows:

WORK CATEGORY	PERCENTAGE	AMOUNT (EXCLUDING GST)
Creditor Liaison Work	4%	\$550.00
Statutory Compliance	51%	\$7,442.00
Closed Funds	45%	\$6,512.00
Total:	100%	\$14,504.00

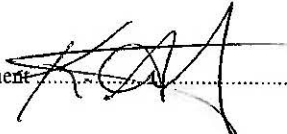

Reasonableness of Liquidation Corporate Remuneration

59. I say the following in relation to the Corporate Remuneration work in the Liquidation Schedule:

- (a) I supervised that work at that time and believe it was all carried out to a high quality particularly given the responsibilities that LMIM had as responsible entity of the Funds;
- (b) the Liquidation of LMIM has been a complex and difficult one, largely due to the appointment of the FMIF Receiver; and
- (c) I have reviewed the work undertaken, the time spent on each task and the quantum of remuneration sought for approval and in my view, each task was necessary, undertaken efficiently and required for the purpose of the liquidation.

Category 1 Work performed in respect of the FMIF for the Relevant Period

60. The tasks in respect of FMIF Category 1 Work carried out during the Relevant Period included work in respect of the Costs Order Proceeding, liaising with the FMIF Receiver

in respect of distributions to unitholders and responding to investor inquiries relevant to the FMIF.

61. I have caused to be prepared a schedule that sets out in chronological order all of the entries in the FTI time recording system that contain descriptions of the Category 1 Work for the FMIF that was carried out during the Relevant Period (**the FMIF Schedule**). The FMIF Schedule sets out the name of each FTI staff member who carried out that work, the hours worked by the staff member, the amount charged for each task, the relevant ARITA category and a narrative of the task carried out. An ARITA Category for each task is also set out in the FMIF Schedule. At pages [36] to [50] of exhibit "KAT-15" is a copy of the FMIF Schedule.
62. I have caused to be prepared a table in accordance with Section 23.2.2 of the ARITA Code, particularly Section B Part 4 of the Recommended Report that characterises and summarise the entries in the FMIF Schedule by reference to each employee and each ARITA Category (**FMIF Table**). At page [51] of exhibit "KAT-15" is a copy of that table.
63. I summarise the amounts in the FMIF Table by the ARITA categories as follows:

CATEGORY	TOTAL HOURS	AMOUNTS (EXCLUDING GST)
Administration	20.10	\$13,745.00
Assets	4.40	\$2,322.00
Creditors	2.80	\$1,942.00
Investigations	75.90	\$56,596.00
Trade-On	NIL	NIL
Total:	103.20	\$74,605.00

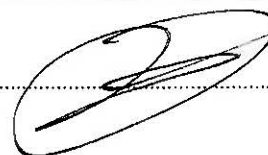

64. The amount of \$74,605.00 (excluding GST) has not been paid nor has approval previously been sought in respect of those amounts from the Court.
65. I have caused to be prepared a summary of the Category 1 work which is recorded in the FMIF Schedule and categorised the entries as follows:

WORK CATEGORY	PERCENTAGE	AMOUNT (EXCLUDING GST)
Administration	10%	\$7,686.00

Remuneration	2%	\$1,800.00
Total:	100%	\$74,605.00

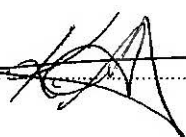

Category 1 Work carried out in respect of the FMIF during the Relevant Period

66. The types of work carried out during the Relevant Period, included the following:

- (a) general administration including matter review, filing, banking and correspondence;
- (b) Creditor Work, including responding to creditor enquiries;
- (c) liaising with investors relevant to the FMIF (**Investor Work**), even though the FMIF Receiver was appointed there have still been some such inquiries. It was also necessary to refer enquiries in respect of FMIF to the FMIF Receiver where they were relevant to his role as the receiver of FMIF and the person responsible of the winding-up of the FMIF.
- (d) Litigation Work, including with respect to amongst other things, application for interim distribution, allocation of costs and dealings with Tucker & Cowen;
- (e) dealings with the Receiver of LM First Mortgage Income Fund including in the Costs Order Proceeding; and
- (f) Remuneration Work, including work in respect of the Category 2 Remuneration, including preparation of the Category 2 Schedule and the LMIM Table.

Reasonableness of Category 1 Work in respect of FMIF carried out during the Relevant Period

67. In relation to the Category 1 Work in respect of FMIF for the Relevant Period:

- (a) I have endeavoured to limit the correspondence and meetings with the FMIF Receiver to those matters necessarily arising because of our dual appointments;
- (b) it was necessary to review Mr Whyte's circulars and other information which he provided to FMIF investors given that LMIM was the responsible entity for FMIF and had an ongoing role; and
- (c) there are a large number of members of the FMIF, there being in excess of 5,000 unitholders.

68. The above work undertaken is directly referable to the FMIF rather than to one of the other funds or the other funds generally.

Category 2 Work in respect of the Funds for the Relevant Period

69. The principal tasks in respect of the Category 2 Remuneration work during the Relevant Period included work in respect of:

- (a) work in respect of proceedings commenced against LMIM as responsible entity of the funds;
- (b) general administration tasks including attending to payments, accounting and reconciliations; and
- (c) work in respect of the Directions Application.

70. I have caused to be prepared a schedule that sets out in chronological order all of the entries in the FTI Consulting time recording system that contain descriptions of the Category 2 Remuneration work during the Relevant Period (**LMIM Schedule**). The LMIM Schedule sets out the name of each FTI Consulting staff member who carried out work for that period, the hours worked by that staff member, the amounts charged for each task, the relevant ARITA category and a narrative as to the tasks carried out. At pages [52] to [71] of exhibit "KAT-15" is a copy of the LMIM Schedule.

71. I have caused to be prepared a table in accordance with Section 23.2.2 of the ARITA Code, and particularly Section A Part 4, that characterises and summarises the Category 2 entries in the LMIM Schedule by reference to each employee and each ARITA Category (**LMIM Table**). At page [72] is a copy of that table.

72. I summarise the amounts of the LMIM Table by ARITA Category as follows:

CATEGORY	TOTAL HOURS	AMOUNTS (EXCLUDING GST)
Administration	74.70	\$34,923.50
Assets	NIL	NIL
Creditors	3.90	\$1,982.50
Dividend	NIL	NIL
Investigations	2.80	\$2,024.00
Trade-On	10.40	\$6,904.00
Total:	91.80	\$45,834.00

73. The amount of \$45,834 (excluding GST) has not been paid nor has prior approval been sought from the Court for this sum.

Types of Category 2 Remuneration work carried out during the Relevant Period

74. The work carried out during the Relevant Period which is claimed as Category 2 remuneration included the following:

- (a) general administration including matter review and filing;
- (b) attending to bank reconciliation, receipts and payments, fund transfers and other banking administrative tasks;
- (c) liaising with advisors not attributable to specific funds;
- (d) general administration of funds management business;
- (e) liaising with investors not attributable to specific funds;
- (f) Litigation Work in respect of, amongst other things, the Directions Application;
and
- (g) Remuneration Work in respect of the Category 2 Remuneration, including preparation of the LMIM Schedule and the LMIM Table.

75. I have caused to be prepared a summary of the Category 2 work which is recorded in the LMIM Schedule and categorised the entries as follows:

WORK CATEGORY	PERCENTAGE	AMOUNT (EXCLUDING GST)
Administration	26%	\$11,786.50
Administration – Banking	36%	\$16,492.00
Advisors	1%	\$603.00
Funds Management	15%	\$6,904.00
Investors	3%	\$1,379.50
Legals	4%	\$1,956.00
Remuneration	15%	\$6,713.00
Total:	100%	\$45,834.00

Reasonableness of Category 2 work

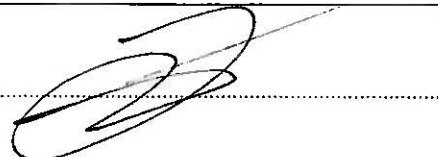

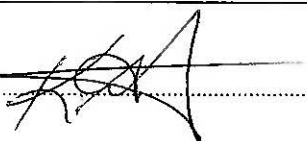

76. In relation to the Category 2 work in the LMIM Schedule:

- (a) given the complexity of LMIM's affairs, investors and advisors themselves often did not know the particular fund in which they were interested; enquiries of that nature were recorded as Category 2 work; and
- (b) I have reviewed the work undertaken, the time spent on each task and the quantum of remuneration sought for approval and in my view, each task was necessary, undertaken efficiently and required for the purpose of the liquidation.

Reasonableness of Corporate Remuneration, Category 1 Remuneration and Category 2 Remuneration

77. Wherever possible I delegated work to appropriately qualified staff with the skill and experience to carry out the work necessary in the liquidation, resulting in work being performed by staff at an appropriate hourly rate for each particular task.

78. I have reviewed the work undertaken, the time spent on each task and the quantum of remuneration sought for approval and in my view, each task was necessary, undertaken efficiently and required for the purpose of the liquidation.

Overlap

79. As is apparent from the matters set out in this affidavit, there are some categories of work that appear in both Corporate Remuneration and Category 2 Remuneration which have similar descriptions. For example, some investigation work is described in Corporate Remuneration work and other investigations are described in Category 2 Remuneration work.
80. Whilst those labels are identical, the work the subject of those claims was allocated to either Corporate Remuneration or Category 2 Remuneration depending on whether it was specific to the funds as a whole or only to the company itself. There are several other labels of this nature including administration, investigations and trading which are similarly with respect to work which is referable to either the funds as a whole or only the Company itself. These entries have been reviewed and I am satisfied that there is no overlap or double charging.

Category 1 Work to be performed in respect of the FMIF during the FMIF Finalisation Period

81. It is the Liquidator's intention to wind up the FMIF as soon as reasonably practicable once Mr Whyte's receivership has concluded. To avoid the costs involved in further applications to this Honourable Court for remuneration, the Liquidator seeks to cap the remuneration of him, his partners and staff in the amount of \$55,000 including GST. If the Liquidator's remuneration is less than \$55,000 including GST, the Liquidator will only charge the amount of remuneration actually incurred.
82. It is difficult to accurately estimate the work, and therefore the remuneration, required to wind up the FMIF (FMIF Tasks) and therefore remuneration required to complete the FMIF Tasks in the FMIF Finalisation Period. As mentioned in the paragraph immediately preceding above, it is the Liquidator's intention to wind up the FMIF as soon as reasonably practicable once Mr Whyte's receivership has concluded. This means that a lot of work will need to be undertaken to ensure that all the FMIF Tasks and the tasks below are complete shortly after Mr Whyte's receivership has concluded.
83. The primary tasks yet to be carried out to wind up the FMIF during the FMIF Finalisation Period (FMIF Tasks) include, but are not limited to:
- (a) completion of financial accounts and the final audited accounts for the year ended 30 June 2024 to accompany the ASIC Form 5138 required to be lodged upon completion of the fund wind up;

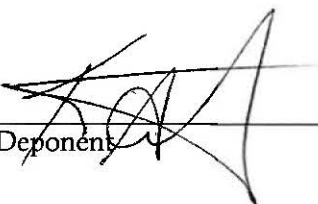

- (b) completion of all business activity statements to 30 June 2024;
- (c) determining and satisfying all costs to the FMIF;
- (d) updates to the www.lminvestmentadministration.com website concerning the distribution and finalisation of the fund wind up;
- (e) calculation of distribution and management of logistics for payment of distribution in multiple currencies; work in respect of this application;
- (f) payment of approved costs; and
- (g) work in respect of Mr Whyte's finalisation application.

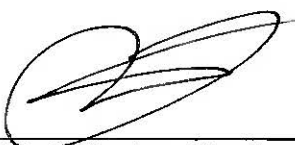

84. The FMIF Tasks are Category 1 Work which will be necessary to perform during the FMIF Finalisation Period in respect of the FMIF and will relate directly to that fund. The FMIF Tasks can be categorised in the administration, creditors, investigations, trade-on and ARITA Categories.

85. Taking into account the Category 1 Work performed to date for the FMIF and the Outstanding FMIF Tasks yet to be performed during the FMIF Finalisation Period, \$55,000 (including GST) remains a reasonable amount to cap the remuneration of the Liquidator, his partners and staff for the FMIF Finalisation Period.

86. All the facts and circumstances deposed to are within my own knowledge save such as are deposed to from information only and my means of knowledge and sources of information appear on the face of this my Affidavit.

Subject: Review of LM Remuneration in detail
Follow Up Flag: Follow up
Flag Status: Flagged

All

As part of our indemnity claim against the assets of MPF/FMIF we need to undertake a detailed review of the fees charged to ensure that these will stand up to a review by either the other practitioners or the Court.

In simple terms we will be seeking to recover our fees (and other costs) from either:

- The assets of the corporate entities (Corporate); or
- Via an indemnity against fund assets (Fund).

This means we need to allocate all of our time to one of these two categories.

Fund Codes

Where time has been charged directly to a fund i.e. 8978 LM First Mortgage Income Fund the process is straightforward and there is little to do other than ensure the entries are consistent and sufficiently detailed. At this stage the time allocated to MIF and MPF is the most relevant but the balance of funds need to be reviewed to ensure they do not contain time entries that are more appropriately charged to one of the other codes.

Corp Codes (8973 & 8974)

However where time has been charged to LMIM or LMA we need to allocate the time between these two categories (Corp or Fund) initially. We then need to pro-rata the time charged to "Fund" so that each of the LM Funds are accountable for their relevant portion. Again the entries need to be consistent and detailed in order to allow this allocation to be relevant. A very basic pre-allocation has been done but this requires a thorough review.

What is required by each person:

- Confirm the time has been allocated to the correct code/matter number i.e. should have been charged to an LM code in the first instance and if so the selected code is correct. If incorrect note the "Allocation" column;
- Review your time entries to ensure as much detail as possible is recorded;
- Ensure the task codes are consistent and correct. Details of what is to be used is on the attached schedule. [H:\8974\Fees, Remuneration Allocation and Review\LM Remuneration Structure.xlsx](#)
- Allocation of entries to "Administration" should be as a last resort if there is no other task/activity suitable. **Only in limited instances where "Administration" has been used as a task code as a pre-allocation has been done. Please review these tasks carefully and allocate to either Corp or Fund so that any attributable to Fund activity can be allocated as such;** and

- Ensure the category assigned "Fund" or "Corp" is correct. The initial allocation is based on the assumption the task code allocated is correct. If this is not the case amend the category in the "Allocation" column.

The fees have been broken down into the following time periods:

- Appointment to 30 June 2013 [H:\3974\Fees\Remuneration Allocation and Review\Fees 19.03.2013 to 30.06.2013.xlsx](#)
- July 2013 [H:\3974\Fees\Remuneration Allocation and Review\Fees 01.07.2013 to 31.07.2013.xlsx](#)
- August 2013 [H:\3974\Fees\Remuneration Allocation and Review\Fees 1.08.2013 to 31.08.2013.xlsx](#)

Please review your time entries personally in each file and advise once this has been completed. Please put an "x" in column P if you have changed anything other than the narrative and ~~highlight~~ highlight the area changed. The review is to be completed by **27 September 2013**.

Any queries on allocations or what is required please ask.

Kelly

TO THE INVESTOR AS ADDRESSED

22 December 2023

LM FIRST MORTGAGE INCOME FUND (RECEIVER APPOINTED) ARSN 089 343 288 ('the Fund' or 'FMIF')

1. Introduction

I refer to my appointment as the Receiver of the Fund's assets and the person responsible for ensuring the winding up of the Fund in accordance with the terms of its constitution by Order of the Supreme Court of Queensland on 8 August 2013.

I now provide my 44th update to investors, which provides details of the progress made in the winding up of the Fund since my last report to investors dated 29 September 2023. This report should be read in conjunction with my previous reports, which are available on the website www.lmfimf.com.

An application to court for me to obtain orders to finalise the winding up and pay the final distribution to members has been prepared. However, unfortunately, the winding up of the FMIF cannot be finalised until the proceeding brought by the LMIM liquidator, John Park detailed at section 2.1.1 of this report has been determined or resolved.

2. Progress and Status of the Winding Up

2.1 Legal Actions/Potential Recoveries

2.1.1 Proceedings against the MPF, LMIM and the Directors of LMIM

I refer to my previous reports to members in relation to this proceeding (BS12317/14), which I caused LMIM as RE of the FMIF to commence against the trustee of the MPF, LMIM and a number of former directors of LMIM.

As advised in my last report to members on 29 September 2023, costs were awarded in favour of the first to fourth, sixth and seventh defendants in respect of the proceeding, and the appeal (Costs). The costs of the seventh defendant, the Liquidators of LMIM, were paid in a fixed amount from the assets of the FMIF pursuant to the Orders of the Court dated 28 February 2020.

On 11 November 2022, a settlement was reached with the first to fourth, and sixth defendants in respect of the Costs (the Settlement).

On 11 November 2022, I notified the Liquidator of LMIM, John Park and advised him of the Settlement and that I intended to make payment of the settlement sum out of the assets of the FMIF, and that if he objected to this payment being made, he was required to bring an application to prevent this from occurring.

On 17 November 2022, the Liquidator caused LMIM in its own right, and in its capacity as the Responsible Entity of the FMIF, the LM Institutional Currency Protected Australian Income Fund and the LM Currency Protected Australian Income Fund, to bring an application in the Supreme Court of Queensland against me in my capacity as the Court Appointed Receiver of the FMIF (the Application).

The Application, as amended on 23 December 2022, sought final substantive relief to the following effect:

- I. declaratory relief that LMIM is not entitled to pay the adverse costs from the property of the FMIF;
- II. injunctive relief restraining me from paying the adverse costs from the property of the FMIF;
- III. an order that I pay the adverse costs personally.

On 24 February 2023, the Liquidator caused LMIM in the four different capacities detailed above to file and serve a Statement of Claim (**Statement of Claim**), seeking relief under section 8 of the *Trusts Act 1973 (QLD)*.

On 6 March 2023, his Honour Justice Kelly ordered the parties to attend a mediation by 31 March 2023, and otherwise made timetabling orders for the hearing of my foreshadowed application to strike out the Statement of Claim.

On 21 March 2023, I attended at a mediation with the Liquidator and our respective legal counsel, conducted by the Honourable John Byrne AO RFD, however no settlement was achieved.

My application to strike out the Statement of Claim was heard before his Honour Justice Kelly on 27 April 2023, with the following orders being made on 16 June 2023:

- The application was dismissed;
- Submissions on costs had to be filed and served by the parties (this has been completed and an order made on 30 June 2023 for the plaintiff's costs of the strike out application to be assessed on the indemnity basis and paid from the FMIF);
- I was directed to file and serve a defence to the amended statement of claim by 18 August 2023;
- The matter was listed for a review on 1 September 2023.

, The time for the filing of my Defence was extended by order of the Court.

On 7 September 2023, I filed a defence to the Claim.

A Defence was filed in the Court which redacts references to privileged or confidential matters.

An unredacted version of the Defence and a bundle of critical, confidential or privileged documents, has been served on the plaintiff, on a strictly confidential basis and confidentiality orders are to be sought with respect to these documents.

The Court ordered that the parties attend a further mediation, which was held on 30 October 2023 and has been adjourned and is to resume by 13 February 2024, with the matter listed for a review by the Court on 19 February 2024.

2.1.2 Liquidators of LMIM (FTI Consulting)

2.1.2.1 Remuneration claim and expenses claim

I refer to my previous reports to investors, which summarise the outcomes of prior remuneration and expenses claims by the Liquidator of LMIM.

The judgement and orders made with respect to FTI's most recent remuneration application and expenses application are summarised in paragraph 2.1.3.2 of my report to investors dated 22 December 2022.

There are currently no applications on foot by the Liquidator for payment of remuneration or expenses from the FMIF. I anticipate that further application/s by the Liquidator for payment of remuneration or expenses from the FMIF will be made before the conclusion of the winding up.

2.1.2.2 Indemnity claim against the Fund and proof of debt process

The proof of debt process and claims notified to me, or potential claims by LMIM for indemnity from the FMIF, with respect to debts or claims of creditors of LMIM, are summarised in paragraph 2.1.5.3 of my report to investors dated 31 March 2020.

The Liquidator notified me that he has identified Creditor Indemnity Claims with respect to a proof of debt lodged by Norton Rose for the sum of \$315,601.21 (Norton Rose Proof) and a proof of debt lodged by EY in the sum of \$158,896.51 (First EY Proof).

I agreed to pay the Creditor Indemnity Claim made in respect of the claim notified by the Norton Rose Proof in the reduced sum of \$274,209.75 with this being paid on 28 September 2022. The First EY Proof and a second EY Proof have been withdrawn.

2.1.2.3 Claim filed against LMIM

The claims made in this proceeding and the key steps to date in the proceeding, are summarised in paragraph 2.1.5.6 of my report to investors dated 19 December 2019. The current status of this claim is that it remains stayed until further order. I will keep investors updated as to any developments in relation to this claim.

3. Management Accounts

As advised in my previous report, the management accounts for the year ending 30 June 2023 are available on the website www.lmfimf.com.

The management accounts for the half-year ending 31 December 2023 will be uploaded to the website www.lmfimf.com by 31 March 2024.

4. Estimated Return to Investors

4.1 Based on current cash at bank and excluding future recoveries and costs

I provide an estimated remaining return to Investors of 11.4 cents per unit as at 30 November 2023, and a total estimated return of 17.9 cents per unit taking into account the interim distribution paid of 6.5 cents per unit, calculated as follows:

Description	30 November 2023
Estimated net amount of assets available to investors as at period end (\$)	49,651,190
Estimated Benefit of Feeder Fund settlement of amounts withheld	6,412,861
Total Number of Units	492,125,624
Estimated return in the dollar	11.4 cents

Please note that the estimate and prior estimates do not take into account future operating costs and future Receiver's fees.

The Feeder Fund settlement will reduce the amount of cash to be paid to the Feeder Funds. Based on the amounts in the above table, I attach at Annexure 1 calculations showing the net amounts payable to the Feeder Funds, as follows:

Feeder Fund	Estimated Return
LM Currency Protected Australian Income Fund ("CPAIF")	6.1 cents
LM Institutional Currency Protected Australian Income Fund ("ICPAIF")	6.1 cents
LM Wholesale First Mortgage Income Fund ("WFMIF")	8.9 cents

These are the amounts that would be paid to the responsible entities of each of the Feeder Funds, the costs and expenses of the Feeder Funds would need to be distributed from the net cash that is paid to each of the Feeder Funds before distributions are made to Feeder Fund investors.

4.2 Further Distributions to Investors

The Court authorised and empowered me on 2 October 2019 to make an interim capital distribution of 6.5 cents per unit to investors of the LM First Mortgage Income Fund. I confirm the interim distribution was paid to investors in October 2019.

As advised above, an application to court for me to obtain orders to finalise the winding up and pay the final distribution to members has been prepared. However, unfortunately, the winding up of the FMIF cannot be finalised until the proceeding brought by the LMIM liquidator, John Park detailed at section 2.1.1 of this report has been determined or resolved.

Once that proceeding is determined or resolved, the finalisation application will be lodged and served.

4.3 Ongoing Reporting to Investors

Reports will be distributed to investors in accordance with the preferred method of correspondence recorded for each investor in the Fund's database. In order to assist in reducing distribution costs, it would be appreciated if investors could nominate an email address as their preferred method to receive

correspondence. Investors may update their details as outlined in Section 4.4 below. For those investors that do not have an email address, correspondence will continue to be sent to you via post.

My next report to investors will be issued by 31 March 2024.

LM FIRST MORTGAGE INCOME FUND (RECEIVER APPOINTED) ARSN 089 343 288 ('the Fund' or 'FMIF')

1. Introduction

I refer to my appointment as the Receiver of the Fund's assets and the person responsible for ensuring the winding up of the Fund in accordance with the terms of its constitution by Order of the Supreme Court of Queensland on 8 August 2013.

I now provide my 43rd update report to investors. This report is prepared in accordance with the relief granted by the Australian Securities and Investments Commission (ASIC Exemption) in relation to financial reporting obligations of the Fund. In this regard, the ASIC Exemption requires a report to be made available to investors for each period of six months starting on 1 January 2022, within three months of the end of each period, which includes the following information (unless disclosure of that information would be prejudicial to the winding up):

- (i) Information about the progress and status of the winding up of the Fund, including details (as applicable) of:
 - A. The actions taken during the period;
 - B. The actions required to complete the winding up;
 - C. The actions proposed to be taken in the next 12 months; and
 - D. The expected time to complete the winding up.
- (ii) The financial position of the Fund as at the last day of the relevant period (based on available information);
- (iii) Financial information about receipts (and payments) of the Fund during the period; and
- (iv) The following information at the end of the period:
 - A. The value of the Fund's property; and
 - B. The potential return to investors.

This report covers, the period 1 January 2023 to 30 June 2023 (the Period).

2. Progress and Status of the Winding Up

2.1 Legal Actions/Potential Recoveries

2.1.1 Proceedings against the MPF, LMIM and the Directors of LMIM

I refer to my previous reports to members in relation to this proceeding (BS12317/14), which I caused LMIM as RE of the FMIF to commence against the trustee of the MPF, LMIM and a number of former directors of LMIM.

As advised in my last report to members on 30 June 2023, costs were awarded in favour of the first to fourth, sixth and seventh defendants in respect of the proceeding, and the appeal (Costs). The costs of the seventh defendant, the Liquidators of LMIM, were paid in a fixed amount from the assets of the FMIF pursuant to the Orders of the Court dated 28 February 2020.

On 11 November 2022, a settlement was reached with the first to fourth, and sixth defendants in respect of the Costs (the Settlement).

On 11 November 2022, I notified the Liquidator of LMIM, John Park and advised him of the Settlement and that I intended to make payment of the settlement sum out of the assets of the FMIF, and that if he objected to this payment being made, he was required to bring an application to prevent this from occurring.

On 17 November 2022, the Liquidator caused LMIM in its own right, and in its capacity as the Responsible Entity of the FMIF, the LM Institutional Currency Protected Australian Income Fund and the LM Currency Protected Australian Income Fund, to bring an application in the Supreme Court of Queensland against me in my capacity as the Court Appointed Receiver of the FMIF (the Application).

The Application, as amended on 23 December 2022, sought final substantive relief to the following effect:

- I. declaratory relief that LMIM is not entitled to pay the adverse costs from the property of the FMIF;
- II. injunctive relief restraining me from paying the adverse costs from the property of the FMIF;
- III. an order that I pay the adverse costs personally.

On 24 February 2023, the Liquidator caused LMIM in the four different capacities detailed above to file and serve a Statement of Claim (Statement of Claim), seeking relief under section 8 of the *Trusts Act 1973 (QLD)*.

On 6 March 2023, his Honour Justice Kelly ordered the parties to attend a mediation by 31 March 2023, and otherwise made timetabling orders for the hearing of my foreshadowed application to strike out the Statement of Claim.

On 21 March 2023, I attended at a mediation with the Liquidator and our respective legal counsel, conducted by the Honourable John Byrne AO RFD, however no settlement was achieved.

My application to strike out the Statement of Claim was heard before his Honour Justice Kelly on 27 April 2023, with the following orders being made on 16 June 2023:

- The application was dismissed;

- Submissions on costs had to be filed and served by the plaintiffs by 4:00 pm on 21 June 2023 and by myself by 4:00 pm on 23 June 2023 (this has been completed and an order made on 30 June 2023 for the plaintiff's costs of the strike out application to be assessed on the indemnity basis and paid from the FMIF);
- I was directed to file and serve a defence to the amended statement of claim by 18 August 2023;
- The matter was listed for a review on 1 September 2023.

Since my last report to members, the time for the filing of my Defence was extended by order of the Court.

On 6 September 2023, I filed a defence to the Claim.

A Defence was filed in the Court which redacts references to privileged or confidential matters.

An unredacted version of the Defence and a bundle of critical, confidential or privileged documents, has been served on the plaintiff, on a strictly confidential basis and confidentiality orders are to be sought with respect to these documents.

The Court has ordered that the parties attend a further mediation, which is expected to be held on 30 October 2023, with the matter to be reviewed in Court shortly thereafter.

2.1.2 Liquidators of LMIM (FTI Consulting)

2.1.2.1 Remuneration claim and expenses claim

I refer to my previous reports to investors, which summarise the outcomes of prior remuneration and expenses claims by the Liquidator of LMIM.

The judgement and orders made with respect to FTI's most recent remuneration application and expenses application are summarised in paragraph 2.1.3.2 of my report to investors dated 22 December 2022.

There are currently no applications on foot by the Liquidator for payment of remuneration or expenses from the FMIF. I anticipate that further application/s by the Liquidator for payment of remuneration or expenses from the FMIF will be made before the conclusion of the winding up.

2.1.2.2 Indemnity claim against the Fund and proof of debt process

The proof of debt process and claims notified to me, or potential claims by LMIM for indemnity from the FMIF, with respect to debts or claims of creditors of LMIM, are summarised in paragraph 2.1.5.3 of my report to investors dated 31 March 2020.

The Liquidator notified me that he has identified Creditor Indemnity Claims with respect to a proof of debt lodged by Norton Rose for the sum of \$315,601.21 (Norton Rose Proof) and a proof of debt lodged by EY in the sum of \$158,896.51 (First EY Proof).

I agreed to pay the Creditor Indemnity Claim made in respect of the claim notified by the Norton Rose Proof in the reduced sum of \$274,209.75 with this being paid on 28 September 2022. The First EY Proof and a second EY Proof have been withdrawn.

2.1.2.3 Claim filed against LMIM

The claims made in this proceeding and the key steps to date in the proceeding, are summarised in paragraph 2.1.5.6 of my report to investors dated 19 December 2019. The current status of this claim is that it remains stayed until further order. I will keep investors updated as to any developments in relation to this claim.

3. Financial Position of the Fund

The management accounts for the year ended 30 June 2023 are available on the website www.lmfmf.com on the page titled 'Financial Statements & Other Key Documents'.

A summary of the financial position of the Fund as at 30 June 2023 is provided below.

Description	30 June 2023
ASSETS	\$
Cash and cash equivalents	58,496,777
Receivables	454,359
TOTAL ASSETS	58,951,136
LIABILITIES	
Payables and accrued expenses	9,004,937
Distributions payable	2,502,104
Total liabilities excluding net assets attributable to unitholders	11,507,041
NET ASSETS	47,444,095

These figures are subject to the disclaimers and qualifications set out in the management accounts.

3.1 Fund Assets

The total assets of the Fund as at 30 June 2023 were \$58,951,136.

The balance includes cash at bank of \$58,496,777 and receivables of \$454,359.

3.2 Fund Liabilities

The total liabilities of the Fund as at 30 June 2023 were \$11,507,041 consisting of payables of \$9,004,937 and distributions payable of \$2,502,104.

The distributions payable balance is made up of:

- \$1,372,036 relates to distributions that appear to have been declared prior to the date of the Court Receiver's appointment which were not paid, or have not cleared or were returned unclaimed. These liabilities have not been verified and Court approval or directions may be required before any payment is made.

- \$1,130,068 relates to distributions that were returned/unclaimed from the interim capital distribution to investors paid by BDO in October 2019 in accordance with the Court order dated 2 October 2019.

The Payables and accrued expenses balance of \$9,004,937 primarily consists of an accrual in respect of the cost orders for the Director’s proceedings, legal fees, receiver’s fees and fees and expenses claimed by FTI, which remain unpaid as at 30 June 2023.

Some of these liabilities have not been verified, or may be subject to Court approval being obtained.

3.3 Net Assets Attributable to Unit Holders

Net assets attributable to unit holders as at 30 June 2023 were \$47,444,095.

The net assets of the Fund and number of units on issue as at 30 June 2023 and 30 June 2022 is detailed in the table below.

Description	30 June 2023	30 June 2022
Estimated net amount of assets available to investors (\$)	47,444,095	47,204,392
Total investor units (# of units)	492,125,624	492,125,624
Estimated net asset amount per unit available to investors as at period end (cents in the dollar)	9.6 cents	9.6 cents

The above table does not include the estimated benefit of the Feeder Funds settlement in the estimated amount of the net amount of assets as at 30 June 2023. Therefore, below is an estimate that includes the estimated benefit of the Feeder Funds settlement in the estimated net amount of assets at 30 June 2023.

Description	30 June 2023
Estimated net amount of assets available to investors as at period end (\$)	47,444,095
Estimated Benefit of Feeder Fund settlement of amounts withheld	6,127,797
Total investor units (AUD Equivalent as at appointment being 8 August 2013)	492,125,624
Estimated return in the dollar	10.9 cents

The Feeder Fund settlement will reduce the amount of cash to be paid to the Feeder Funds. Based on the amounts in the above table, I attach at Annexure 1 calculations showing the estimated return to the Feeder Funds, as follows:

Feeder Fund	Estimated return
LM Currency Protected Australian Income Fund (“CPAIF”)	5.8 cents

LM Institutional Currency Protected Australian Income Fund ("ICPAIF") 5.8 cents

LM Wholesale First Mortgage Income Fund ("WFMIIF") 8.5 cents

These are the amounts that would be paid to the responsible entities of each of the Feeder Funds, the costs and expenses of the Feeder Funds would need to be paid from the net cash that is paid to each of the Feeder Funds before distributions are made to Feeder Fund investors.

4. Receipts and Payments of the Fund

All receipts and payments for the Fund since McGrathNicol's appointment on 10 July 2013 until their retirement on 10 December 2018 are on the website www.lmfimf.com under Financial Statements & Other Key Documents.

Following McGrath Nicol's retirement and relinquishment of control of the bank accounts, I took over responsibility for all receipts and payments and will upload copies of the Receipts and Payments lodged with ASIC to the www.lmfimf.com website from time to time.

The receipts and payments of the Fund, for the period 1 January 2023 to 30 June 2023 is summarised in the table below.

Description	\$
Receipts	
Interest	998,321
Loan Reductions	66,850

Total receipts	1,068,641

The estimated unit price as at 30 June 2023 is 9.6 cents per unit and a total estimated return of 16.1 cents per unit taking into account the interim distribution paid of 6.5 cents per units.

Description	\$
Total Net Value of Fund Assets	47,444,095
Total Number of Units	492,125,624
Unit Price Estimate	9.6 cents
Add: Distributions to date	6.5 cents
Total estimated return in the dollar	16.1 cents

I attach a copy of a letter confirming the unit price as at 30 June 2023, which may be forwarded to Centrelink to assist with the review of investors' pensions.

5.2 Further Distributions to Investors

The Court authorised and empowered me on 2 October 2019 to make an interim capital distribution of 6.5 cents per unit to investors of the LM First Mortgage Income Fund. I confirm the interim distribution was paid to investors in October 2019.

An application to court for me to obtain orders to finalise the winding up and pay the final distribution to members has been prepared. However, unfortunately, the winding up of the FMIF cannot be finalised until the proceeding brought by the LMIM liquidator, John Park detailed at section 2.1 of this report has been determined or resolved.

Once that proceeding is determined or resolved, the finalisation application will be lodged and served.

5.3 Ongoing Reporting to Investors

Reports will be distributed to investors in accordance with the preferred method of correspondence recorded for each investor in the Fund's database. In order to assist in reducing distribution costs, it would be appreciated if investors could nominate an email address as their preferred method to receive correspondence. Investors may update their details as outlined in Section 5.4 below. For those investors that do not have an email address, correspondence will continue to be sent to you via post.

My next report to investors will be issued by 31 December 2023.

5.4 Investors Queries

Arrangements are in place to ensure that any reasonable questions asked by members of the FMIF, about the winding up of the FMIF, will be answered within a reasonable period of time (generally seven days) and without charge to the investor.

For any changes to investors details, please review the Useful Forms/Procedures tab on the website www.lmfimf.com which includes information regarding the following procedures:

- Change of Contact Address/Bank Account Details
- Change of Contact Address/Bank Accounts Details of a Deceased Estate
- Change of Trustee of Self-Managed Super Fund
- Transfer of Unit Holding from a Super Fund/ Trustee Company to Personal Name(s)
- Transfer of Unit Holding from a Deceased Estate to a Sole Survivor
- Transfer from a Deceased Estate to a Beneficiary of an Estate

It is a requirement that advisors or other third parties acting on behalf of Unit Holders are doing so pursuant to a relevant Authority/Power of Attorney. Please ensure that a relevant Authority/Power of Attorney accompanies the abovementioned documents as necessary (if an Authority/Power of Attorney has not previously been provided).

It is preferable that all questions about the winding up, or communications are sent via email to enquiries@lmfimf.com with original documents to be mailed as required to:

Phone: +61 7 3237 5999

6. Receiver's Remuneration and Expenses

There have been seventeen applications to Court to date to approve my remuneration since the date of my appointment on 8 August 2013.

A copy of all documentation in relation to my previous applications, can be found on the website www.lmfimf.com.

In addition to the remuneration previously approved by the Court, I calculate that, on a time basis, I have incurred further remuneration of \$833,414.00 (exclusive of GST) plus disbursements of \$36,049.06 (exclusive of GST) from 1 May 2022 to 30 June 2023 as detailed in the attached summary. I intend to seek approval of my current and future remuneration in my Finalisation Application.

7. Actions taken during the Period

I provide below a summary of actions taken during the period from 1 January 2023 to 30 June 2023:

- Work undertaken in relation to the litigation matters detailed at Section 2 of this report;
- Maintaining the financial records of the Fund and preparation of management accounts for the year ended half-year ended 31 December 2022 and the year ended 30 June 2023;

- Undertaking the investor management function for approximately 4,600 investors including answering queries on the winding up of the Fund and maintaining the investment database, including any change in details or transfer of units;
- Preparation of unit price calculations as at 31 December 2022 and 30 June 2023; and
- Preparation of reports to investors in March 2023 and June 2023.

8. Proposed actions to be taken in the next 12 months/Key actions required to complete the winding up of the Fund and estimated timeframe to complete winding up

I provide below a summary of the proposed actions to be taken within the next 12 months and the key actions which I presently anticipate will be required to complete the winding up of the Fund:

- Respond to the proceeding that the LMIM liquidator, John Park has caused LMIM to bring as set out at section 2.1 of this report;
- Once this proceeding brought by LMIM has been determined or resolved, finalise and lodge with the Court an application for directions to enable finalisation of the winding up of the FMIF. I anticipate this finalisation application will seek (inter alia) directions in relation to finalisation of claims against the Fund, directions in relation to the making of a final distribution to FMIF members including directions as to steps to be taken to determine the entitlements of members, and other directions to enable finalisation of the winding up;
- Maintain the accounts of the Fund and prepare management accounts for the half-year ending 31 December 2023 and the year ending 30 June 2024;
- Subject to the directions made by the Court on the finalisation application as to whether an audit of the final accounts of the FMIF is required and the scope of that obligation, an audit of the final accounts may need to be arranged;
- Maintain the investor management database;
- Report to investors on a quarterly basis;
- Pay the remaining liabilities of the fund;
- Pay a final distribution to FMIF members;
- Pay any unclaimed monies to ASIC;
- Notify ASIC that the winding up has been completed.

The timing of the finalisation of the winding up is very much dependent on the timeframe for the conclusion of the proceeding brought by LMIM as set out at section 2.1 of this report.

As noted above, the Court has ordered that a further mediation be held. If the mediation is successful, subject to the terms of any resolution, I intend to proceed to promptly lodge the finalisation application which will seek directions from the Court to enable finalisation of the winding up. The winding up could then potentially be completed by 30 June 2024.

If the matter proceeds to trial my preliminary estimate is that it is unlikely the trial would be held before the first quarter of next year, which would delay the finalisation of the winding up of the FMIF. The timeframe to resolve this proceeding may vary depending upon a range of factors, including the time

taken by the parties to comply with the Court's directions, the directions made by the Court, and the Court's availability to hear the matter.

Subject to any earlier resolution of the matter, if this matter does not resolve and proceeds to trial, my best estimate of the expected time to complete the winding up is between 15 and 21 months.

Whilst this is my best estimate of the expected time to complete the winding up, the timeframe may vary depending upon, among other things, the time taken for the claim made by LMIM against me to be determined or resolved, whether the finalisation application is opposed, the time taken for the proposed finalisation application to be heard and determined, the orders or directions made by the Court on the finalisation application the time taken by auditors to undertake any audit of the final accounts of the Fund which may be required and whether any unexpected complications or issues arise.
