

SOME GREAT NEWS FROM ONE OF OUR MAJOR SPONSORS

In case you haven't heard... there are now two sides to Coastcom's business.

Coastcom Security, already so well established in the residential security field, has for some time been linked through common management and ownership with Chartercom Security and its national reputation for devising innovative commercial security and risk management solutions.

The winning ingredients of this comprehensive security offer are Coastcom Security's guaranteed

rapid response times powered by the world's most advanced security monitoring systems and Chartercom Security's commercial focus, national capacity and strong technical expertise.

The Coastcom Security hub is right here in Sorrento at their 24 hour/365 days a year operational Control Room.

There is not a property in your portfolio, be it residential, leisure or commercial that Coastcom Security can't secure.

Here's how it works...

Everytime a Sorrento Sharks member either becomes or refers a new monitoring client to Coastcom Security they will increase their annual sponsorship of the Sharks by \$50 per year for every year that the client stays with Coastcom Security. For example, 10 New clients = an extra \$500 per year for the Sharks.

So, it's time for all you Sharks supporters to bring on some more business for Coastcom and help your

beloved Sharks along the way. Given that Coastcom Security services clients all over Australia, this could be for your home, business, or holiday house - any property, anywhere.

All you have to do is call Coastcom Security on **1300 844 844** and let them know that you're a Sharks member/supporter who wants to switch over to Coastcom Security and they will do the rest.

So come on, make the switch to Coastcom Security and support the Sharks!

Coastcom Security 133 Hotham Rd, Sorrento, VIC 3943
