Saturday's preliminary final wasn't even close to a perfect game but it was a perfect result.

We are into a Grand Final which is where set ourselves to be back in December when pre-season started. After a strong start to take a good lead at quarter time the boys played very poorly and fell away from the basics that make us a good side. For the better part of the game post quarter time we were outplayed by a more determined and committed opposition. However, the playing group have a "never say die" attitude and kept coming.

We were 16 points down with 5 minutes to go when Tyz turned the game with some strong marking and conversion to get it back within a kick and when Polks scrambled through his 4th goal to get us in front we suddenly had to hang on for a minute which we managed to do.

It's a huge effort for the club now with 3 sides into the Grand Final this weekend. Be great to see as much red and white there as we can to support the boys as I can guarantee no-one else will be! See you at Frankston Park!!!
