Finals

There are no coaches' reports this week as we need to keep a lid on our finals strategies!

After a great contest at Hastings the seniors defeated Crib Point 16.13.109 to 13.9.87. Scores were level at three quarter time, so it was a thrilling final quarter of football.

We are now through to the grand final and play the winner of the match between Crib Point and Rye, in our seventh consecutive grand final appearance!

In the Under 18s clash, Rosebud's dominance continued so we need to beat Mt Eliza in the preliminary final at Somerville at 9.30 next Saturday for a grand final spot.

Our Under 17 Netball team will be playing Rosebud in the grand final at 10am, also at Somerville so we need a big show of support for these matches from the red and white army.

Flags

Paint the town red in the lead up to the grand final by purchasing a flag. These flags look great in the main street and at "Shark Park".

We only have a couple left, so get in quickly if you want one.

They are 1200mm x 900mm and are reduced to just \$100 as a grand final special. Contact our flag officer, Rob Tucker on 0407 335 975.

Thursday Night

This Thursday at 7.00pm **Sam Soliman**, the World IBF Boxing Champion will be at the club to tell his story to our netballers and footballers. He will also show us some of his boxing skills.

Sam was recently our guest speaker at the President's lunch; he was truly inspirational and a great role model for young sports people. If you missed seeing him then, make sure you come to the club on Thursday.

Supper and drinks will be available, so come and support our finals teams. There will be a courtesy bus.

Grand Final Eve Lunch

This will be an even more enjoyable day now that we definitely have at least one team playing on Saturday September 20.

Lunch will be at the **Hotel Sorrento** at 12.00 for 12.30. There is no cover charge; food and drinks will be available at the usual prices, and we all know what wonderful hosts Rob and Anne are.

As usual there is great entertainment lined up; Scotty Palmer will be previewing some of the jokes from his "Best of 2014 Collection" which would make a great Christmas present!
