Sorra Snippets

Momentum and preparations are rapidly gearing up for Season 2021 after the disappointment of season 2020's Covid abandonment. Here is a quick snapshot of news from around the club ...

Pre-Season Training

Pre-season training recommenced in mid January, with healthy numbers on the track, and enormous hunger from all involved after missing last year! Training is being held every Monday and Wednesday evening commencing at 6PM. Supporters are welcome to pop down for a look, and of course any prospective players are fully welcome.

Practice Matches

- March 13 vs Vermont FC
- March 20 vs Queenscliff (Battle of the Rip!!!)
- March 27 TBC

2021 Fixture

Season 2021 commences on Easter Saturday (April 3rd) with a massive local derby against Rosebud at Sorrento.

The full seasons Fixture can be downloaded from the SFNC Website under 'Fixtures'

Covid

Whilst we are confident that season 2021 will proceed as planned, the big unknown remains the impact of Covid on how the season will look. Current rules will limit the size of crowds allowed through the gate, the capacity at the Presidents lunches, capacity within and in-front of the clubrooms, who can enter the changerooms, etc etc. The club is currently assessing the impact and options surrounding all Covid impacts. Huge thanks to Paul McKenzie who has volunteered to take on the unenviable task of Covid Officer, and is monitoring all movements in this space. We are hopeful of an easing of restrictions by the time we get to round one, but at this stage what that looks like is unknown, and hence the club is planning for a worst case scenario. We will communicate details via Shark Bites and the club Facebook page as we get closer.

Training Lights

The club is delighted to have received funding for the installation of new training lights at the David McFarlane Recreation Reserve (Shark Park). Almost twice as tall as the previous lights, and significantly brighter, these are a huge bonus for the club. Installation is now complete and they are fully operational.

Sad News

The club has been saddened by the passing of Fred Sullivan and June Caspar in recent weeks. Both were Life Members and heavily involved in SFC for many, many years. The club extends its sympathies to both families.
