\* To the extent the dollar value of tax credits preapproved have been adjusted based on Georgia Department of Revenue records or the value of the contribution exceeded the value of the tax credit preapproved, the SSO records for the total no. of contributions and/or total dollar value of contributions have been adjusted accordingly.

\*\* The information in this category is provided from the Department of Revenue's preapproval records.

\*\*\* The Law was amended to require quartile information in the middle of 2013. If a quartile is blank on the report, that means the SSO left the quartile field blank on their form.
