

Changing Lives. One Scholarship at a Time.

Dear Parents:

Pay it Forward Scholarships provides scholarships for private pre-K through 12th grade students to attend any accredited private school, including **YOUR SCHOOL NAME HERE**. Our mission is to give parents the freedom to choose the best educational environment for their child.

It's easy to apply for a 2019 Pay it Forward Scholarship: Just complete the student application on our website before December 31, 2019. Please note that you must upload your most recently filed tax return to the application and each year, you will need to submit an updated application.

Eligibility Requirements: In order to be approved to receive a Pay it Forward Scholarship, a student must meet the eligibility requirements as set forth in the law which governs our program and by which we operate. Once a student qualifies in any category for a scholarship, they remain qualified for their entire school career.

- Students must be Georgia residents
- Students in Pre-K, Kindergarten, and 1st grade are automatically eligible
- Students in 2nd grade and above, must have either:
 - Received any scholarship previously
 - Attended public school for six weeks prior to enrolling in private school
 - Been homeschooled for one year prior to enrolling in private school

Scholarship Amounts: Your student will receive an equal share of the scholarship funds received for your school. Scholarships are expected to be distributed by April 15, 2020. *For example, if we receive \$10,000 for your school and there are 10 approved students, then each student at your school will receive approximately a \$900 scholarship.*

Remember to submit the application by December 31st, of each year for the upcoming scholarship cycle. If your school receives scholarship funds through Pay it Forward Scholarships, scholarships will be sent to your school by April 15th. Please consider **"Paying it Forward"** by becoming a donor. Donors receive a 100% (dollar-for-dollar) Qualified Education Expense Tax Credit from the state of Georgia.

We encourage you to visit our website to learn more about the Georgia Qualified Education Expense Tax Credit program and how it can provide scholarship funds at your favorite school!
