ISSUE NO.2

## WELCOME TO NUMBER 2

Last year we were testing the waters with our *Folk by the Sea* Festival in Kiama. It was a success, so we are back again in serious mode. It looks like the festival may well develop a life of its own and like 'Topsy' will just grow. This year we had 180 performers apply to play and we have already added an extra two venues on Friday evening. Recognising that it gets somewhat chilly in Hindmarsh Park as the afternoon progresses, we have, with the generous support of Kiama Leagues Club moved our final acts to that venue.

The Festival has something on over the three days, though the main focus remains on the Saturday. Friday and Saturday is dance time at the Uniting Church Hall for the ever ubiquitous dancers. A major free concert in Hindmarsh Park on Sunday fleshes out the programme.

Being conducted by the Illawarra Folk Club, *Folk by the Sea* is naturally, like all our activities, run by volunteers and is a wonderful taster festival for our January, Illawarra Folk Festival at Bulli, the largest in NSW.

So I'd like to say a big thank you to all our volunteers and committee and club members who have come together to make the Festival possible.

Thanks again to the people of Kiama, the Rugby Club, the Lions Club and especially Kiama Council for supporting us, not only financially, but also in spirit.

Thanks also for the moral support from Member for Kiama Gareth Ward who of course is the only genuine political fiddler around. Gareth plays a very good fiddle and will take his place with his fiddle in the dance bands as well as being part of the official opening.

We've another great line-up of artists and as I predicted, quite accurately it seems Folk Festivals are addictive and *Folk by the Sea* is no exception.

So once again welcome, happy folkling and let's hope that this one is just the start.

**Russell Hannah (Sir Bigruss) OAM**  
*President, Illawarra Folk Club*

## A NEW FESTIVAL

*Folk by the Sea* is an intimate festival featuring the sounds of folk, world, roots, Celtic, bluegrass and gypsy music in 70 concerts over 3 days in the picturesque seaside town of Kiama, famous for its blowhole.

The festival is a combination of ticket only entry, Friday and Saturday and a free day of local folk artists on Sunday.

The festival is presented by volunteers from the Illawarra Folk Club Inc., presenters of the Illawarra Folk Festival held each year in January at the Bulli Showground.

# MESSAGES

## From the Mayor

Council is delighted to welcome back Kiama's *Folk by the Sea* festival to our municipality for 2014. Last year's event was a tremendous success and we all look forward to this year's festival with great anticipation.

I know that with an expanded program, a wide range of Australian and overseas artists and an increase in the local venues used for the festival, the 2014 event program will be one to savour.

I congratulate the Illawarra Folk Club for organising the festival and thank the organising committee for their enthusiastic work – 6 venues, 70 events, over 180 performers from the USA, NSW and interstate – what an outstanding effort!

Kiama Council is proud to be a sponsor of this festival and is pleased to see the Showground Pavilion and Hindmarsh Park used as two of the major venues for performances during the event. Locals can enjoy the different acts performing throughout the three-day festival, including the newly introduced dance events.

Our municipality hosted the 'Folk in the Foothills' festival in Jamberoo for nine years and now we have the second *Folk by the Sea* event in Kiama. It is a great example of what can be achieved by a community-based group like the Illawarra Folk Club and its dedicated and enthusiastic members.

I know that the festival will attract a large number of visitors to our beautiful area over its 3 days of folk music and dancing and I know that both visitors and local residents will enjoy the fantastic array of talent that will be on show.

I invite everyone to have a great time and to make the most of what our area and the festival has to offer. Enjoy!

Brian Petschler  
Mayor of Kiama Municipal Council

## From the Member for Kiama

On behalf of the Kiama community, my warmest welcome to you to the *Folk by the Sea* festival in Kiama.

Our region is blessed with a depth and breadth of talent and I look forward to seeing the Kiama township bursting at the seams with visitors and locals alike enjoying everything that folk music and culture has to offer.

If you are visiting Kiama, I sincerely hope you enjoy everything our town and region has to offer. If you're a local – I hope you enjoy this wonderful festival which is growing in size each year.

Once again, my warmest welcome to you and I hope that you enjoy the festival in addition to the many treasures Kiama has to offer.

Cheers,

Gareth Ward MP  
Member for Kiama

## Thank You

This is the 2nd *Folk by the Sea* festival in and around the Kiama Showground Pavilion and in Hindmarsh Park. It was wonderful to be able to listen to many great musicians in such beautiful facilities with the backdrop of Kiama's fantastic beaches and scenery.

This year we have added two new venues, the Uniting Church Hall as a dance venue and the Kiama Leagues Club for the final Sunday concert. We are also fully utilising the Rugby Club for Friday night and Saturday.

The Festival has already grown thanks to the support that we received for last year's Festival. The success of this Festival is due to the generous support of our volunteers and sponsors. We thank our dedicated volunteers who have given us their time to ensure the smooth running of all the venues. Their hard work and dedication has helped the organising committee ensure you all enjoy your weekend.

We also thank our sponsors, Kiama Council and the Kiama Leagues Club for their support.

Finally we thank our audience for your support. Many of you are regulars at Folk Festivals, but for many this may be your first time. If you are a first timer, be prepared to try out all the entertainment on offer. Try the dancing and the poetry as well as the music, you might just discover a whole new genre of entertainment that you never considered that you would enjoy.

# FESTIVAL HELP GUIDE

## This may be your first folk festival, so here's some idea about what to do.

- Buy your pass on-line to save you money and time.
- Buy your camping pass online as well as these are only issued with 2 Day Festival Passes.
- If you're driving to the festival then make your way to the Kiama Showground Pavilion
- If you're using public transport then walk up to the main entry gate and head for the Festival Office in the Kiama Showground Pavilion.
- Make sure you get a full programme when you do the pass/wristband exchange. This is your map to the venues, performers and general information.
- Grab a refreshment and study the program to decide who you want to see and when or just take pot luck! Having a highlighter pen is a good idea. Mark the events you want to catch.
- Don't panic if you can't make up your mind! Chances are you won't know too many of the acts. Just walk the site! You'll discover music you've never heard or you'll end up dancing, reciting or just watching. If you don't like what you see move onto another venue.
- At the end of the day (night) and if you've still got energy then hang around the bar as the musicians will be up for a tune or two. Sometimes the best music is played spontaneously at these late sessions!
- Remember to have fun, but be courteous to your fellow festival goers when leaving!

## BOWRALHOUSE

John Hall, Brian Rapsey and Jason Winter are Bowral house. John on lead guitar and vocals, Brian on harmonica and back-up vocals and Jason on upright bass. Their foot stomping country blues and ragtime harks back to the early days of acoustic folk blues. John has been playing blues since 1950's when the older black American players were alive and

accessible. Brian, the dynamic blues player is heavily influenced by Sonny Terry. Jason comes from a background of rock-a-billy, adapting well to country blues, his energetic slap bass pushes the band along and is the driving force of Bowralhouse.

## CAROL HEUCHAN

You may not have heard of her but you've surely heard her at festivals, in concerts, on radio and television (ABC 'Bush Slam') and at the Easter Show where she's the Main Arena Commentator. She's also the bird that wrote a poem that won a thirty four thousand dollar tractor (still can't drive it!). Multi award winning, nine times Laureate winning Bush Poet and notorious word-slinger, just back from her fifth U.S. Tour, Carol spent her nefarious youth skiing 'them thar hills' - on planks as long as the Harbour Bridge - and mustering rustled cattle and wayward horses on the Crackenback Range. These days she's based in the Hunter Valley having left Cooma some decades back, possibly in a hail of bullets.

# ILLAWARRA FOLK CLUB

The Illawarra Folk Club is celebrating its 36th year of existence. Formed in 1979, it is a 'not for profit' incorporated organisation dedicated to the presentation and preservation of our folklore and heritage in both its historical and evolving forms.

Music, story telling, singing, poetry, collecting and dancing are all part of its activities and it has been running two concerts per month during all this time. Concerts are generally held on the first Friday and third Saturdays of the month at the Wollongong City Diggers Club, though sometimes special concerts are also held at the Wongawilli Hall. More recently it also presented the Folk Stage at the 2012 Viva La Gong festival and a series of Lunchtime Concerts at the Wollongong Art Gallery.

It has produced a monthly newsletter for the past 35 years.

The Club has provided support to a number of local artist members who have produced recordings. It has also assisted in providing folk performers to many community and charity events in the Illawarra. As well as providing an outlet for local artists it brings many acclaimed artist from interstate and overseas.

Since 1985 the Club has presented the Illawarra Folk Festival once in Wilton, 20 times in the village of Jamberoo and now 9 times in Bulli during January. The festival has grown from a humble beginning to being recognised as one of Australia's premiere folk festivals and the biggest in NSW. It is also the largest continuing festival in Australia to be run entirely by volunteers.

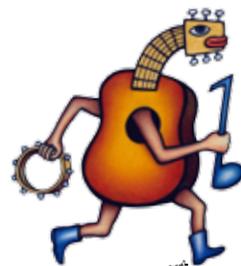

The Festival is a sub-committee of the Folk Club. It meets once month during the year and more often as the festival approaches.

Since 2005 the Club has also presented a smaller one day festival at the Jamberoo Valley Lodge. In 2013 this event was moved to Kiama and has expanded to an event held over three days called *Folk by the Sea*.
