PRELUDE AND BRINGING IN THE LIGHT

***CALLING OURSELVES TO WORSHIP**

L. God in Christ is the Alpha and Omega, the beginning and the ending of all things, in one continuous act of creating.

P. God in Christ is the mind that conceives and hold the sacred vision for the universe, the will that accomplishes the birthing and re-birthing, and the heart which loves all in creation with a never-ending love.

L. God is here in the spirit, recreating us in love, according to divine purpose.

P. Let us be open to God and to one another:let us worship God who makes all things new. Amen.

***OPENING PRAYER**

Merciful God, we confess that we have not always loved you with our whole heart. We have sometimes failed to be an obedient church. We have not always done your will, and sometimes we have broken your law, and we have sometimes rebelled against your love, we have not always loved our neighbors, and have not always heard the cry of the needy. Forgive us, we pray. Free us for joyful obedience, through Jesus Christ our Lord. Amen.

Leader: Hear the good news: Christ died for us while were yet sinners: that proves God's love toward us. In the name of Jesus Christ, you are forgiven!

Congregation: In the name of Jesus Christ, you are forgiven.
