INSPECTION FEES:

1) Single Family Residential already connected, but new cleanout required (CCTV & inspection included)	\$250.00/unit
2) Single Residential already connected w cleanout (CCTV & inspection included)	\$150.00/unit

For all others, District Manager will estimate the fee based on level of effort required.

LATERAL SEWER FEES:

See “CONNECTION PERMIT FEES”, #2 above.

TIME LIMITATION ON CONNECTION PERMIT:

In the event connection to the sewer is not made within six (6) months for an existing building and one (1) year for new construction from the date the connection permit is issued, said permit may become void and, if voided, the total amount paid for said permit and any sewer service charges collected will be forfeited to the District, and a new permit will be required before connection is made.

OTHER FEES MAY BE ASSESSED DEPENDING ON THE SCOPE OF WORK, LENGTH OF TIME TO REVIEW PLANS, SIZE OF PROJECT AND OTHER FACTORS.
