

Our Mission:

- To protect the public health and environment.
- To provide for safe and cost-efficient collection of sewage waste.
- To provide for effective conveyance to the Treatment Plant.

We are pleased to present this Annual Report of the Cupertino Sanitary District (CuSD) recognizing 59 years of service to over 23,000 customers within the communities of Cupertino, portions of Saratoga, Sunnyvale, Los Altos and unincorporated areas within Santa Clara County.

CuSD covers approximately 15 square miles, serving a population of over 50,000 people with more than 23,000 residential and business units. The District owns and manages over one million lineal feet of sewer mains, half million lineal feet of sewer laterals, 17 pump stations, 4,000 manholes and flushing inlets, and one equipment storage facility. CuSD conveys nearly 5 million gallons of waste-water daily from our customers for treatment at the San Jose/Santa Clara Regional Wastewater Facility.

CuSD's collection system, much of which is more than 50 years old, has been maintained proactively with regular cleaning and development of a Capital Improvement Program (CIP) aimed at improving efficiency as well as extending its useful service life.

Notable Accomplishments in 2014-2015:

1. Geographical Information System (GIS) completed
2. Switched to Lucity Software System from CUPMAN to improve maintenance efficiency
3. Nearly one mile of sewer main relocation for Apple 2 Campus completed
4. Serviced 952,000 lineal feet of sewer mains and over 1,500 laterals
5. September Drive Sewer Main Replacement

Cupertino residents take your unwanted and expired medication to:

West Valley Patrol Station (Sheriff's Office)
1601 S. De Anza Blvd., Cupertino
(408) 868-6600
M-F, 8am – 4pm

No fats, oil and grease down the drain !

WHAT'S NEW AT THE DISTRICT?

Swimming Pool Owners

If you own a swimming pool, you are required to discharge to our sewer system and not down the storm drain.

Call us first and obtain a discharge permit!

House Laterals

- If your lateral needs to be replaced, you can apply for financial assistance.
- Do you have a clean-out on your property? We can assist you in locating it. Call us.

For more information about your sewer system and the District log onto: www.CupertinoSanitaryDistrict.org
