***PARENT INFORMATION SHEET***

***SEPT. 2021 TO MAY 2022***

1. Village Parkway Mother's Day Out (MDO) is held on Tuesdays and Thursdays, from 9:00 a.m. to 2:00 p.m.
2. Children ages birth thru 4 years of age and children turning 5 after September 1<sup>st</sup> are eligible.
3. **All children entering our 3 Year Old classes must be potty trained prior to the first day of class. There will be no exceptions.**
4. **Potty training in our Toddler classes is discouraged while enrolled in our program due to there being only one teacher in each of our classrooms, and the lack of bathroom facilities in that hallway to accommodate small children.**
5. We teach from the Christian curriculum, Wee Learn, as well as other supplemental programs.
6. Class sizes are limited to a certain number of children according to their age.
7. Village Parkway MDO reserves the right to determine if our program meets the need of each child at their particular stage of development.
8. Our schedule follows the Northside Independent School district calendar, September thru May.

**The following fees apply for the MDO school year 2021-2022**

**MONTHLY TUITION**

Tuition is due on the first teaching day of the month, and is the same for all nine months of school, including months with holidays. A late fee will be assessed after the 10<sup>th</sup> of the month. You are not charged for scheduled holidays during the year, however no credit is given for days missed for any other reason. Drop-Ins are not allowed. Tuition is calculated at the following rates (assuming all children in same family):

**2 DAYS  
PER WEEK**

<b>1 CHILD</b>	\$180.00 Month
<b>2 CHILDREN</b>	\$340.00 Month
<b>3 CHILDREN</b>	\$510.00 Month

As an example: a family with 2 children who attend MDO = \$340.00 per month tuition.

**REGISTRATION FEE**

This fee is required at the time of enrollment, and essentially holds your child's/children's spot in the class. This is a one-time per year fee, and is non-refundable. The fee is **\$50.00 per year** for each child (no family discounts). This rate is discounted to **\$25.00 per year** per child if enrolling after January 1<sup>st</sup>.
