" Brunch & Learn - March 12, 2020 "

Thanks to Georgia Insulation for their sponsorship of the March 12 Lunch and Learn event. Kerry Martin of Georgia Insulation shared information regarding their company to kick off the meeting.

The group enjoyed a meal and great conversation. It's always a pleasure to hear tips and encouragement from others in the industry. Speaker, Gayle Ely from Total Life Leadership, spoke about "How to Create More Success with Less Stress". What a powerful message to us all! We appreciate the valuable information Gayle provided. We look forward to the June 18 meeting and hope to see more ladies attend this growing group.

Thank You!
