

Georgia Pre-Examination Training Program[®] ORDER FORM

The *Georgia Pre-Examination Training Program[®] is an approved program that meets the requirements of the Rules of the Georgia Structural Pest Control Commission requiring that all new employees must receive at least 10-hours of classroom training prior to taking the Employee Registration Exam.

This pre-recorded program has been designed to present the information that is required during the classroom training. In addition, the Georgia Pre-Examination Training Program[®] will assist the new employee in preparing for the Employee Registration Exam.

Each licensed structural pest control business location must purchase their own copy of the Georgia Pre-Examination Training Program[®] for use within that location. A 10% discount will be applied to any orders of at least three (3) copies of the Georgia Pre-Examination Training Program[®]. **An order form must be completed for each individual office and submitted together with the order.** The Georgia Pre-Examination Training Program[®] is a copyright protected program so any copying, recording, sharing or unauthorized use of any content in the course is strictly prohibited.

Cost (Select one) **\$350 for CPCO of Georgia Members**
(CPCO membership must be current at the time the order is placed. If not sure, please contact the CPCO of GA)
 \$450 for non-members
