

Divine Recall Notice

Isaiah 54:7 King James Version (KJV)

⁷ "For a small moment have I forsaken thee; but with great mercies will I gather thee."

Recently I received recall notices for both of our vehicles, the manufacturer saying they'll fix what they didn't create perfectly.

God has said in His Word that He will call us back to Him, to protect us and make all things new again.

The flaw is not in the creation, but in the way we've conducted our lives. Many times we do not live our lives up to the full potential of our inheritance in Him.

His Word says that often he has yearned to draw us unto Him, as a mother chicken does her chicks, but we would not. We turn from Him and try to handle life by ourselves, what a mistake that is!

Today harken to His recall notice. God wants to call us back to Him and shelter us under His wings.

This past week in Revival we've found once again the refreshing that only He can bring to our thirsty souls.

Let's go forward, under the Divine Recall notice and return to God our Creator for the maintenance and constant companionship that only His Holy Spirit can provide to us.

Regular maintenance works for our cars—but is even more important for our hearts and lives.

Let's take our lives to Him daily and let him make all things well. Let's see what the Lord will do!

Love ya,

Pastor Phil
