

**Week 9: God- Not to be Trifled With!**

**Date:** April 18<sup>th</sup>, 2021

---

† Fearing God

*Psalm 36:1, Romans 3:17-18, Psalm 66:16, Psalm 96:4-6*

† Two Extremes

*Psalm 14:1*

† A Biblical view of God: He is 100% GRACE, and 100% TRUTH

*John 1:14, Romans 3:19, Nahum 1:1-3*

† The death of Herod

*Acts 12:18-23*

† Reality! God will not be mocked. His enemies will be held accountable... by HIM. Meaning, *not* by US!

Our role in overcoming evil? Let God avenge, while we work for what is GOOD.  
*Romans 12:17-21*

† As followers of Christ, we express a healthy fear of God by being people who are HUMBLE.  
*Luke 18:9-14, 1 Peter 3:8-9*

† Hope! The book of Acts and all of Christian history demonstrates that even in the face of hardship and what seem to be insurmountable odds, God's work will prevail!  
*Acts 12:24*

*Next week we will be taking a break from Acts as we celebrate a full worship service focused on communion.*
