Meditation: **ROOTED & GROUNDED IN LOVE . . .**

Amidst the raging waves and howling winds, Jesus defied the laws of nature, walking on water toward His disciples' distressed boat. He calmed the storm with a mere word, and they were amazed. After this miraculous encounter with Jesus, they traveled to villages, towns, and countryside where people were healed by a simple touch. This passage reminds us to trust in Jesus even in the midst of life's most tumultuous moments, for He can do anything!
