Time & Talent Interest Survey

(Please fill out and return)

Dear Friends in Christ:

Living out our faith is like breathing—"inhaling" the power and presence of God into our lives through prayer, worship, and reading the Bible, and "exhaling" the power and presence of God into our corner of the world through service, relationships, and giving. To help us use our resources wisely, we invite you to fill out this brief "Time & Talent Interest Survey" so we can support you in your involvement in Bethel ministry.

As you look through the booklet, ask yourself:

- ◆ *What are your interests?*
- ◆ *Where would you enjoy serving at Bethel?*

Rest assured, we will gladly provide whatever support you need. We won't put you into something and then leave you to twist in the wind. Neither do we expect anyone to serve forever in any area of ministry.

"Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms." 1 Peter 4:10

If you have any questions about a ministry area, the **Council Member** for that area would be happy to speak with you.
