

Key Stakeholder & Sponsor Workshop

Overview	This workshop is designed to provide all Key Stakeholders and Sponsors with an understanding of the benefits of good Project, Program and Portfolio management discipline in an organisation. It will outline key best practice approaches to managing initiatives, both large and small. During the session we will discuss the steps required to effectively embrace a structured project methodology within your teams, including the essential roles and responsibilities of all staff.
Duration	½-day
Audience	All Key Stakeholders and Sponsors
Content	<p>The workshop will cover the following topics:</p> <ul style="list-style-type: none"> • Common reasons for project failure • Difference between a project and business as usual work • How projects, programs and portfolios relate to the organisational strategy • Benefits of having a scalable methodology • Generic lifecycle stage and appropriate tools for each • Best practice techniques to manage a project • Identifying project problems in the organisation • Project Management maturity models – where is your team now and where should it be? • Customising an approach to suit the needs of the business and the projects
Approach	This workshop will be a presentation on best practice project management as well as discussion and agreement on the preferred way to adopt a more disciplined approach.
In short...	If you want your project teams to embrace a more disciplined way of delivery projects, come along to this session in order to develop an action plan for success.
