

WHAT WE DID . . .

In 2023, Servants of Christ reached out to support three congregations of the NALC with financial gifts and prayers:

- Rindal Lutheran Church, Newfolden, Minnesota
 - Oromo Evangelical Church, Columbus, Ohio
 - Word of Life Lutheran Church, Vale, North Carolina
- 60% of our income goes to mission work, 20% to pay for local expenses, and 20% is set aside for future ministry efforts.
- Also in 2023, \$10,000 went to support the General Fund of the NALC; \$9,500 supported the NALC Seminary and Scholarships.

Thank you for your faithful generosity in supporting the work and outreach of Servants of Christ Lutheran Church

- ❖ Beginning in November, we will begin our study of the History of Christianity in our Sunday morning class. We will review the main developments in the history of the Christian Church in 100 year segments. Our study book will focus on two or three major events taking place in the time period under study. (We will continue this study in January, following the Advent study in December.)
- ❖ Wednesday, November 22, 4:30 p.m.: Thanksgiving worship will be celebrated at the Robins Community Center. We gather to celebrate the on-going goodness of God and give thanks for His blessings and faithfulness.
- ❖ Sunday, November 26: Our quarterly brunch will be served, following worship. We will review and discuss the 2024 outreach plan which includes expanding our support for work in Madagascar.
- ❖ Sunday, December 5: Advent begins. For the four Sundays of Advent we will have a Bible study on major Advent themes.

**Pray for our missionaries in Madagascar:
Tsaramana Daniel and Mr. Rotonga.**
