

Lawn Fertilizer Program

Our program is designed to beautify, thicken, and protect your lawn from grubs and control unsightly weeds with eco-friendly fertilizers and control products.

March/April - Early Spring Fertilizer with Crabgrass Preventative

Turf fertilizer (25-0-5) and crab grass preventative. Eco-friendly zero phosphate fertilizer application for a greener/thicker lawn plus a powerful crabgrass preventative to stop crabgrass before it starts.

Small Lot - \$25.00 Large Lot - \$32.00

Sign up by April 14, 2017.

May/June - Late Spring Fertilizer and Weed Control

This application is the same program Saddlebrook has provided in years past at no charge to our residents. Turf fertilizer (25-0-8) and broad leaf weed killer. Eco-friendly zero phosphate fertilizer application for a greener/thicker lawn plus a powerful weed killer formula to control weeds. ***No sign-up required. This service will be done for all home sites unless otherwise requested.***

Small Lot - **FREE** Large Lot - **FREE** -

July/August - Grub Control

Grub control prevents, kills, and eliminates grubs feeding below the lawn's surface causing brown spots; also kills Japanese beetle larva.

Small Lot - \$25.00 Large Lot - \$32.00

Sign up by August 11, 2017.

September/October - Fall Fertilizer and Weed Control

Turf fertilizer (16-0-4) and broad leaf weed killer. Eco-friendly zero phosphate fertilizer application for a greener/thicker lawn plus a powerful weed killer formula to control weeds.

Small Lot - \$25.00 Large Lot - \$32.00

Sign up by September 15, 2017.

October/November - Winter Fertilizer

Turf fertilizer (30-0-5) Eco-friendly zero phosphate slow release fertilizer application strengthens, thickens and prepares your lawn for winter.

Small Lot - \$25.00 Large Lot - \$32.00

Sign up by November 10, 2017.

****Please allow 14 days for products to take effect.***
