Adelaide Model Aerosport Inc.

At its Annual General Meeting in June, the members of Adelaide Model Aerosport conferred Life Membership on long standing member Allan Diggle.

Our Constitution requires that when considering a member for Life Membership they must demonstrate that they have provided the Club with outstanding and meritorious service over a prolonged period of time. The members present at the AGM believed that Allan met and indeed exceeded these requirements as demonstrated by the following.

Allan has been a member of the Club for close to 20 years and in that time has held several Committee roles. He was Treasurer during a period when the Club faced some challenging financial circumstances and Allan was instrumental in managing the finances to the point where we were able to pay off all remaining debt on the field.

Allan continues to represent the Club at MASA meetings and has done so now for several years. He is also a prodigious instructor and has taught most of the members that have joined the Club as novices over the past 15 or more years.

In addition, Allan is always one of the first to volunteer to assist at Club working bees and in particular to assist with catering, a task he undertakes with his usual good nature and enthusiasm.

Allan is always friendly and welcoming to new members. He is an active flier and can be seen at the Club several times each week weather permitting. In recent years, just to demonstrate that you are never too old to learn a new skill, Allan has discovered a love of float flying and has taken to this like a duck to water (pardon the pun!) having attended a number of float flying events at other Clubs and adding this genre to his land based repertoire. Allan's community spirit also extends to volunteering at other Clubs and he has on a number of occasions in the past assisted with the Golden Era races when they were held at Constellation.

In summary, Allan epitomises what it means to be an ambassador for not only our Club but also our wonderful hobby. Our Club counts itself incredibly fortunate to call Allan a member and in recognition of his outstanding service, he now becomes our second Life Member joining Trevor Croser who became our first Life Member in 2009.

Congratulations Allan.

OILY HAND WEEKEND- 25th,26th August 2018

By Don Howie

This event at Cowra, NSW, has been held for 13 years; this year Maris Dislers, Peter Leaney and Don Howie attended this popular event for mainly model diesel engines in free flight, radio and control line models.

The conditions had been dry, but we bought light rain on Saturday and Sunday. Fortunately, this made for calm conditions and the rain did not last all day, so we managed to get in considerable flying over the weekend. The ½ hour radio scramble was cancelled on Saturday due to the lack of competitors, but I got to fly my 36-inch span "Tomboy" after lunch on Sunday, when the Sydney flyers had gone home.

Peter Leaney had built a 52-inch span "Mam'selle", a Vic Smeed design from December 1955, Aero Modeller. Peter used a PAW 1.49cc diesel with throttle and his friends from Sydney used Sharma 1.5cc diesels with throttles, these engines made in India sell for about \$100, bought online.

Maris Dislers had recently designed a simple to build stick free flight model at 30-inch span for small diesels, Peter Leaney at right is holding my model, that uses a replica Elfin 50 diesel, originally made in 1952.

The two left models built by Maris, the centre named "Presto", has a recently made SAM 35 diesel of 0.35cc capacity.

Peter Leaney flew his FLI-BI, shown in the photo with PAW .55cc diesel, this being the David Owen designed model featured last year. Mine flies very well with right motor thrust and left rudder, to give a slight left turn under power and glide.

Featured radio model this year was the David Boddington designed "Barnstormer" that could be built in many different sizes. The largest was built by Geoff Potter from NSW, that was 89-inch span. Geoff is an expert on fixing and modifying model engines, so he took a Kraft 61 R/C motor from the 1970's and fitted a diesel head, to comply with Oily Hand rules. The motor was fitted with a 14x6 APC prop and ran very well, though starting under cold, damp conditions is always difficult with a diesel. He used tissue over DOCLAM (laminating film) for covering.

Maris Dislers won the main prize of a Scholler .25cc diesel (about \$400 value) in the Abomination (non scale) Free Flight event with a time of 12 1/2 minutes from Launch. The model is an enlarged Delta Dart with some day glo covering and LED lights fitted. The model

is powered with a Cox .049 glo reed valve with a separate tank, turning a 7x4 Taipan prop, it did not fly very far, due to the calm conditions.

Featured control line model was "Pretty Perfect", featured on the oily rag for 2108, see photo.

: 2018 Alice Springs Masters Games
: Mon, 26 Mar 2018 00:14:47 +0000

Good Morning,

I am contacting you on behalf of Model Aircraft Flying as part of the Alice Springs Masters Games.

Alice Model Aerosport is excited to be part of the Alice Springs Masters Games for the first time!

Competition will be held at Peddlers Field, just 4.5kms east of Alice Springs and will cover IMAC, Gliding and Vintage Old Timers. Competition will start on the 15th October and finish on Saturday the 20th.

Registrations are now open and an Early Bird Prize is on offer for participants who have registered prior to the 31st March.

We would appreciate it if you could add this Event to your online calendar and pass this information onto your members to encourage participation for players.

I have attached a copy of the Model Aircraft Flying poster for you to forward to your members and put up at the clubrooms. If you could also let your members know our website details, <https://alicespringsmastersgames.com.au/> and Facebook page <https://www.facebook.com/alicespringsmastersgames/> so that they are able to easily register and stay up to date with information regarding the Games, it would be greatly appreciated.

The Alice Springs Masters Games is the longest running Masters Games in Australia and the biggest sporting party of the year. Alongside competition against peers, all competitors and accredited visitors have free entry to the Opening Ceremony, Mid-Week Party and Closing Ceremony. Their accreditation passes also give access to the free transport service that is available throughout the week of the Games.

Please don't hesitate to contact me if you would like some more information, or if you have any questions or concerns.

Thank you for your time and your assistance.

Kind Regards

Ringmaster Fly-A-Thon 2018

The Brotherhood of the Ring

Is sponsoring it's 11th Annual Fly-A-Thon event.

The South Hummocks MAC will be participating
on

29th & 30th of September 2018

*We have permission to fly a week early and all MAAA members
are welcome to attend.*

*Matt Kania's beloved Ringmaster control line model has been built and flown by more modelers than any
other control line model aeroplane!*

This is not a contest!

No registration is required. There are no entry fees or prizes! This Fly-A-Thon is to **honour** the most popular CL model ever!! Be part of something big and help make history by having more worldwide Ringmaster flights in a single weekend than last year's record of **4366** flights!

A record **742** different pilots participated!!

This event is **Worldwide!**

Location: South Hummocks MAC

CNR Gulfview and Almond Tree Rds, South Hummocks.

Any Ringmaster from 1/2A to Giant and all variants in between can be flown.

If you get a new pilot to solo on a Ringmaster, that first flight will count as 2 flights!

**** A minimum of 5 laps is required to count as an official flight! ****

Let's keep the spirit of C/L alive!

Ok **everyone!** Just dig that old dusty Ringmaster out and **go fly it!**

*The results will be compiled and published by the **Brotherhood of the Ring.***

***The Ringmaster Fly-A-Thon event at SHMAC on 29th-30th Sep will also
be a Buy and Swap meet. So bring along any stuff you no longer want.***

Dawn Patrol

**Bulletin Two
Amendment One**

This Bulletin is the final one and overrides any other notifications that may have already be disseminated.

The planning is all but finished. If you are interested in camping at the field please let me know so that we can get an idea of the number of caravans we need to make room for.

Email: sthhummocks@bigpond.com

The aircraft eligible to fly at this event are any World War I aircraft. Any size. Any type. Any power plant and Any control method. That means, Radio Control, Control Line and Freeflight.

If you also wish to bring a non WW1 aeroplane, please do so but only WW1 Aircraft will be eligible to fly in the small combat event and the actual Dawn Patrol flight.

All pilots will need to verify their current MAAA Membership, so make sure you bring your MAAA Cards. Any models that weigh more than 7kg will need to have a valid permit, no permit no fly, so make sure you bring that as well.

There will be a Pilots Briefing at 9.30am Saturday 10th November.

The field will be open from the morning of 08 November 2018 to set up caravans, tents and models. You might even want to get some flying done. There is a camping fee of \$10.00 per site for the weekend and a pilot registration fee of \$5.00, so the camping fee, can be paid when you register.

If your parent club has it's own Wind Flag, bring it along and we will set up a 'League of Clubs' flag row.

Saturday will be a day of general flying with a small 2 round Combat competition for .25 size or equivalent size electric WWI aircraft using streamers.

Egg and Bacon sambos will be available for breakfast on Saturday and Sunday between 7-9am. The BBQ will be fired up and lunch will be a choice of Sausage Sizzle, Hamburgers and chips both Saturday and Sunday. A small fee will be applied to each culinary delight including cake and bikkies, Tea and Coffee will be free. Cold drinks will also be available.

Saturday evening Dinner will be run as a pseudo Military Dining-In Night. So if you are Military/Ex-Military or Para-military and you have a Mess Kit or Uniform, please wear it otherwise the dress for dinner will be smart casual. If you have medals, please wear them. The fee for the Dinner is \$20.00 a head and restricted to 40 heads and you must have a ticket to attend. For those who have paid, tickets can be collected when you register. Notification of this Dinner has already been sent out to State Secretaries for further dissemination. If you wish to attend, you need to get in quick and pay in advance. If you think it might be booked out, ask anyway. Preference will go to those who have paid. For club account details,

Email: sthummocks@bigpond.com

Sunday will start with the Dawn Patrol flight and all WWI aircraft are eligible. Take-off time will be at sunrise (6.04am), depending on how dark it is. There will be a small Remembrance day ceremony, the Ode will be read and a minutes silence observed at 11am. The rest of the day will be general flying with possible skirmishes as to the pilots whims.

We will have the use of the MASA PA system and over the course of the weekend there will be music and songs of the era played and we will have readings of soldiers letters home, personal diaries and snippets of Unit Histories over the PA. We ask that anyone attending who would like to participate in these readings do so, particularly if you have letters or diaries of family members that were involved in WWI.

There will be a couple of raffles run over the weekend.

One of our major sponsors, O'Reilly Model Products/Model Flight in conjunction with Seagull models have kindly donated a Seagull Nieuport 28 arf kit, suitable for a 20cc petrol engine.

<https://www.modelflight.com.au/seagull-models-nieuport-28-arf-kit-20cc.html>

This is a Pre-Event raffle and tickets are available from your Club Secretary or direct from SHMAC Club.

We will be dressing the place up with WWI memorabilia. Why not dress up in period dress or uniforms yourselves.

Our field has Unisex toilets, Unisex Hot shower, Kitchen facilities, BBQ, Mains water and Limited Generator Electricity. You will need to look after yourselves when it comes to power for caravans and battery charging.

We have shed space so you can store your assembled models overnight.

If camping is not your thing, there are motels and caravan parks at Balaklava and Port Wakefield. Both towns are close to the field. If you have a trailer you can store it at the field.

Port Wakefield:-

**Pt Wakefield Caravan Park, Wakefield St, Pt Wakefield 08 8867 1511
Pt Wakefield Motel, Main Rd, Pt Wakefield, 08 8867 1271**

Balaklava:-

**Balaklava Caravan Park, Short Tce, Balaklava, 0400 264 075
Balaklava Royal Hotel, Edith Tce, Balaklava 08 8862 1607**

This event has the makings of being a fantastic weekend. It's all about having some fun and commemorating an historical day, not only for Australia but for the world, and if you want to stay a little longer, then that won't be a problem.

MASA Sport Recognition Application.

All the relevant support documentation required for the application has been finalised and attached to application. The application was submitted electronically to the Department of Sport and Recreation on 26th August 2018 and an acknowledgement of receipt issued on the same day.

Concorde Lease.

The club has reviewed the draft lease and responded back to MASA with a list of items for discussion.

Concorde Junior member refund.

A request was received from the club to consider refunding a junior's membership. Following discussion, a motion moved by BVMAC seconded by SSL and carried considered that, "In the spirit of encouraging this 12-year-old junior member and the small amount involved (\$44) that a refund on a one-off basis be appropriate". The member will receive his refund on receipt of his MAAA membership card being surrendered to the MASA Treasurer.

CASA Club Field Information

Following the request via MAAA from CASA to provide a listing of all SA clubs. This information has been collated by MAAA and forwarded on to CASA. The current CASA exemption we operate on expires sometime in October so CASA will advise via MAAA their direction/ renewal. In the meantime, that Status Quo remains in place, so there is no cause for concern.

CATEGORY REPORTS

There was not a lot of CL activity at the AAC field in August due to the wintry weather. However, the Whyalla MAC CL event did take place on the weekend of August 18/19 with a good number of entries from both Adelaide and Melbourne. A report will be submitted to the editor for inclusion in this month's newsletter. Looking ahead, SHMAC will host the SA chapter of the worldwide Ringmaster flyathon on the October long weekend, so here's hoping for good weather.
