EEC Solutions is a small business owned and operated by a veteran providing innovative solutions for defense/security consulting and training, strategic planning and engagement, professional services, as well as wholesaling services to our customers.

Our defense/security, as well as our professional services segments have a large network of professionals providing quality and innovative solutions tailored to our customers' needs. Our strategic consulting and trainings are based on years of military leadership, training, planning and decision making experience, but customized to the business sector. With our strategic planning and engagement products, we have the ability to develop and execute professional seminars and conferences.

Past Performances

- ✓ Executive Level Engagement
- ✓ International Affairs
- ✓ Strategic Planning and Training
- ✓ Latin America and Africa Expert Territory Management
