There were also women looking on from afar, among whom were Mary Magdalene, Mary the mother of James the Less and of Joses, and Salome, who also followed Him and ministered to Him when He was in Galilee, and many other women who came up with Him to Jerusalem.
Mark 15:40,41

These verses were written by John Mark at the end of describing Jesus' death on the cross. Many verses describe women being among the disciples of Jesus as He walked the earth and are found throughout the early church. Notice that these women followed and ministered to Him. It is clear that they knew Jesus as their Savior and their ministry to Him was more than cooking and washing His clothes. They served Him, prayed for Him, supported the ministry financially, and so on.

As we approach Mother's Day, I just want to thank and celebrate the women of River View. We would not be the church that we are right now without you. I thank God that He has placed you in this church family. Keep following Him and serving Him. Keep praying for your family and discipling other women. You matter and are making a difference in the Kingdom of God!
