encouragement has made a powerful impact on our agency's ability to be effective in offering a spirit lead restorative care program for women and children. January is National Slavery & Human Trafficking

Executive Director's Note

Greetings! As the year comes to a close I want to take this moment to thank everyone that has supported the mission of FSLR&TP and to say that there have been no small contributions. Every prayer, call, donation, email, and word of

Awareness Month and January 11th has been designated as "Awareness Day". In support of our clients, we are asking that everyone visit our social media page and share the post marked "**End Slavery**". We also encourage you to join the fight against human trafficking and find an awareness event to support in your community during January; and as always we bless God for your continued support. *Dr. Tracy Gibson*

Safe House Donation Request

FSLR&TP is working hard to serve women and children victimized and/or exploited through human trafficking, prostitution, domestic violence and the adult entertainment industry. As that number continues to grow we continue to experience the need for even more reliable transportation. Currently, the agency makes two and three trips to ensure the residents make it to worship and all their necessary appointments. If you or someone you know could be a blessing to our mission by donating a van, please contact our admin office.

PayPal Donation Via Facebook

We know how much you love to support FSLR&TP, and enjoy social media, so now

we have made it easy to do both by adding a donation button to our Facebook page. Your donation is both secure and tax exempt. You'll thank us later and we thank you for your support.

Martha's House Update

Our next quarter of classes begin for our residents on January 7th. Our program participants will receive training and classes in areas such as "*Finance & Budget*" from Cadence Bank, Art Therapy, Job Corp Training, Trauma Informed Care and more; and two of our program participants have been accepted to college programs at Alabama A&M and Calhoun.

FSLR&TP's Spotlight "Christmas At Martha's House"

FSLR&TP would like to thank our "Christmas At Martha's House" drop off location sponsors for helping us to collect much needed items for Martha's House. Your efforts have truly been a blessing. We would also like to say thank you to all the wonderful people who took the time and demonstrated the love of Christ by donating. We bless each of you and pray you have a wonderful and blessed holiday.
