### Executive Director's Note

Greetings and thank you as always for your prayers and support. FSLR&TP has hit the ground running hard in this new year and we are excited about several new things in store for the women we serve. I personally had the pleasure of attending the 2019 Human Trafficking Summit hosted by the Alabama Trafficking Task Force this month, where it was great to be among other agencies fighting to end trafficking and/or bring restoration to survivors. *Martha's House* also lovingly

welcomed our new House Manager, Pastor Donnamarie Brown this month and truly there is a positive and evident change in the home already. Yes, FSLR&TP is truly on the move and we thank everyone who is a part of supporting us in our efforts to bring healing, love and restoration to the lives of women everywhere. Blessings and may the Lord continue to shine upon each of you.

**Capital Campaign**

March begins FSLR&TP's capital campaign for the on-site training center located at *Martha's*

*House*. The **"Be Transformed Training Center"** will offer space for computer labs, a dedicated space for bible study, private counseling, training classes and volunteer activities. Be sure to follow us on-line and social media for details and learn how you can join in and help.

### Safe House Donation Request

As always *Martha's House* is working hard to serve women and children victimized by either human trafficking, prostitution or domestic violence. We are currently requesting donations of the following items:

**Computers, Study Bibles, Tissue, Gardening Material, Paper Towels, and Feminine Hygiene Products**

### Special Note

The 990 for FSLR&TP for the 2018 tax year has been filed with the IRS. Please contact our administrative office if you desire to make an appointment and review our current records.

### Martha's House Update

Martha's House is proud to announce that one of our resident's was accepted to the Madison County Christian Women's Job Corp program this past January; and has already begun to excel and do exceptionally well. Congratulations and we believe that this is only the start of GREATER things to come for her!

### FSLR&TP's Spotlight

#### *House of Restoration Full Gospel Community Church*

The House of Restoration Full Gospel Community Church is a committed donor to the mission of FSLR&TP. We are honored that they have joined to fight to bring restoration to women escaping human trafficking, domestic violence and prostitution through their monthly support of *Martha's House*. The mission of the House Of Restoration Full Gospel Church is to glorify God,

to exalt the Lord Jesus Christ, to edify the saints, to evangelize the lost, to provide a Godly environment for worshipers, engage in local and global missions and to provide a redemptive caring atmosphere where the whole man is restored; Spirit, Soul and Body. HRFGCC is located in Crestview, Florida and through their contribution to our mission they are making an impact all over the world.
