Executive Director's Note

Greetings Everyone!!! Thank you as always for your prayers and support. FSLR&TP has had a great month and seen great outcomes from our faithfulness in walking with the women we serve. We believe that more than ever the Lord has assigned our hands to working with women and helping them overcome the traumas of life. In the last month we have witnessed several clients receive breakthroughs in counseling and begin to live past their traumas. We have witnessed the

residents of Martha's House grow past the terrible grips of trafficking and walk in the light of Christ. It has been both an humbling and sobering experience for us as individuals and an agency. We continue to solicit your prayers as ask that you seek the Lord in how you might partner with us as we continue to be the hands and feet of Christ.

Dr. Tracy Gibson, LGSW

Safe House Donation Request

As always **Martha's House** is working hard to serve women and children victimized by either human trafficking, prostitution or domestic violence. We are currently requesting donations of the following items:

Computers, Study Bibles, Tissue, Gardening Material, Paper Towels, and Feminine Hygiene Products

Child Abuse Prevention Month

The word of God says that "Children are a

gift from the Lord; they are a reward from him." As a body of Kingdom people we must remember that we are called to fight for those that have no voice and advocate for them. In April take a moment to be a blessing for our youth by donating, volunteering, or praying for an agency working to bring healing to our "GIFTS"!!!

Special Note

FSLR&TP is pleased to welcome our new Director of Development to the family, Ms. Miriam Becker. Miriam has hit the ground running and comes to the ministry with great experience.

Martha's House Update

Martha's House is proud to announce that one of our lovely residents was water baptized this past month and she has moved forward in joining a local church. We also welcomed our new House Manager, Pastor Donna Brown to Martha's House and we look forward to doing a FSLR&TP spotlight on her in our April issue.
