# NEWSLETTER

Friday 12th August 2022

Dear Parents,

It was lovely to receive such a warm welcome back to the school last week after taking some long service leave to tour Outback Queensland and a visit to the Gold Coast to scare myself on some rides. Thank you to Mrs Langley and the staff who took over for me while I was away.

Even though I was only away for 3 weeks it has been really lovely to get into classrooms and see how much the students have achieved academically already this term. Term 3 is an exciting time in schools. The focus of the first semester this year was re-establishing routines and building learning stamina and I can see that our students have benefitted from this and are really making progress this term. If you have an interest in assisting in any way in classrooms, please contact your child's teacher as we are always open to family members assisting in classrooms.

I understand that the colder winter mornings are not always attractive to get into but a gentle reminder that school starts at 9:00am for all students. Students in Rooms 1, 2, 3 & 4 get straight into Soundwaves so arriving even a few minutes late interrupts important learning time. All students who arrive after the bell must come to the office to check in with administration staff as the class roll will already have been taken.

Have a wonderful week,

Anna Duncan  
Principal

### Woolworths Junior Landcare Grant

We were lucky enough to secure the Woolworths Junior Landcare Grant this year. The school's Vegetable garden will be upgraded by our next generation of environmental champions. We can't wait to see the outcome.
